Evening of Epicurean Dinner  
August 2nd

## Message From The Commodore Keith Moore

CIYC's Board of Directors Nominating Committee (**Vidar Bech, Sherie Ireland, George O'Neil III, Laurie Preston, and Sharon Sullivan**) reported the nominees for the 2015 Board. CIYC Board members **Don Dickey, Mary Howard, Gary Johnson** and **Dave Wardlow** have completed their two-year term and we thank them for their service. The nominees are **Bill Crier, Penny Lipp, Jim Lovins, Jim Medlen** and **Dave Wardlow**. The Board elections will be held at the next General Membership meeting in September. At that time, you will have the opportunity to ask them questions, so think about what you want to ask.

Our thanks to CIYC's Audit Committee (**Clark Owens, Linda McCulley, and Wendell Morrisset**) for a preliminary financial report to the members. Errors and omissions have been found and corrected, and we fully expect to have an accurate set of books. **Frank & Sharon Sullivan** have updated the Membership files. A member "dues report" has been developed to track dues payment, and we are reviewing the Bar's Point-of-Sale software to improve our financial management.

As some of you know, we have had problems with the Chair Lift, and recently learned the unit cannot be re-certified for service. **Tom Warden** is working with the Chair Lift vendor and the State Elevator Division to develop a solution; perhaps to replace the unit with a better system. Meanwhile, **Dave Martin** has "Locked Out / Tagged Out" the unit so it cannot be used. We should have a report for you soon.

***Gary Johnson** and his crew put on a great Dingy Party at **John & Beverly Richardson's** home. In case you were not aware, our very own **Cecily** donates her time to set up the bar and help make these parties successful. The best way we can say Our Thanks to **Cecily**..... is to keep her Tip Jar full.*

*See you on Deck!*

**Keith Moore     Your Commodore 805-551-0983**

## Message From The Acting Vice-Commodore Vidar Bech

It is always difficult to step into responsibilities where somebody else has done a great job but I will try to do my best to report to you what I know. Some badly needed house repairs have been taken care of: the Fan in the kitchen downstairs needed replacement and the refrigerator in the bar gave up. Obviously, very important units that needed attention right away. Unfortunately, our Chair Lift has NOT been certified and will be removed and replaced. The Board is working to see what options we have. I will schedule some Ship Shape Saturday mornings, since there is a lot that needs to be done.

I can report that **Keith Moore**, **Frank Sullivan** and our new bookkeeper **Vera Hirrel** are working hard to get all our records updated after our computer breakdowns. The Audit Committee is trying to finish their work, so we can get back to normal operations. We are also trying to streamline our club-card system so it will work with our other computer lists.

**Joyce Sheridan** and **Barbara Brauns** should get an award for their fundraising with the **Queen of Hearts Lottery** in making a lot of extra money for the club and the winner. It goes to show, you don't have to go to Vegas to win money; it can be done right at our club. Dave Gable managed to select the right ticket and then the right card, talk about being lucky.

**Barbara** and **Joyce** stepped up again with **Jack Borkowski** and put on **Jailhouse Rock** a hilarious dinner social. There were hookers, thieves, cat burglars and beggars put in jail (holding tank), bailed out again and then having to go in front of our too lenient comic **Judge Bill Crier**. A wonderful dinner made by **Gary Johnson** and his crew and dancing to DJ Brian Fitzgerald's music made the evening a smashing success.

I want to thank **Gary Johnson** for stepping in to help organize Wednesday night dinners on top of his other cooking responsibilities. Please check **Frank Sullivan's calendar** updates on upcoming events and dinners.

My Special Thanks to the **Beefeaters**, **Epicureans** and everybody that has made dinners. I am not quite up to speed on all of this yet. It has not been a good summer for Marnie and me with our car accident at the end of June and our daughter's accident on July 4. We have been busy taking care of her, so I have not had a lot of time for the club.

**RV and Trailer Parking in our Parking Lots will not be allowed any more. The Harbor Dept. has restricted any RV, trailer or camper in the parking lots.** Anybody who wants to park an oversized vehicle has to contact the Harbor Department (805) 382-3007 directly to secure a permit in designated parking areas on Victoria Ave, \$30 per night. **We are no longer able to issue parking permits for any oversized vehicles.**

**Vidar, Rear/Acting Vice Commodore**

## Message From The Rear-Commodore

**RACING.** The difference between the **John Larson Memorial Race** and the others is several bottles of RUM. At the skippers meeting, all Captains and crew were given shot glasses and there were rules on how to use them, which I will not go into here. Needless to say, this is a fun race and partying afterwards.

**Deborah Tyhurst** and **Betty Larson** made sure things went according to Tradition.

**Non Spin Class** was won by Joe Joines on **Move-On**, Steve Smith & Rod Piper on **Kialoa III** came in second and Jane Thomas on **Liquid Asset** third. Ram Captain Harry Krum on **Fusee** won Spin Class and Shelly Johnson was second on **Zoarcas**. Committee boat again was **Valkyrie** with Fleet Captain Frank Sullivan and starting crew PRO Bill Brayton, Jr., Commodore Tom Warden and Cruise Director Cindy ArosteGuy.

**The Neil Underwood Memorial Regatta** only had 3 boats participating. Director **Dave Martin** captained **NikoMaria** as Committee Boat, with our dedicated starting crew, **Frank Sullivan** setting the markers with help from his crew.

Our Club honored **Cecily's** Dad, James C. MacClelland also known as "Buffalo Hunter" on Sunday, July 27, with a memorial at sea. **Our Blue Heaven** hosted the Funeral party with 10 boats: **Niko-Maria, JoySea, Valkyrie, Maverick, Tomahawk, Sundancer, Magic, Seahorse, MonkeyBusiness** and **Blue Mast**, surrounding it and bagpipe music playing over the VHF radio. It was a very beautiful and emotional moment. Afterwards there was a luncheon at the club with lots of speeches by family and friends. **Cecily**, on behalf of our club, I want you to know that you should be proud of what you did for your Dad. All the times you took him around, so he could meet his and your friends in the neighborhood. Not everybody has a daughter that is willing to do all the things you did for him.

**Gary and Joyce Johnson**, you did it again. The Dinghy Party on August 16 was another success. A big "Thanks" goes to **John and Beverly Richardson** who let us enjoy their beautiful home and were so helpful. Great music by **The Barrellhouse Wailers**, **Cecily** made sure everybody had something in their glasses and **Mary Howard** kept the "drink ticket treasure chest" in order. **Ellie Bishop and Marnie** took everybody's money, so they could enjoy the tasty Taco Bar. **Elyse Gonello**, along with **Gary and Joyce**, did a lot of hard work and it all turned out great!!

**CRUISING.** Not much cruising to report at this time, but we have a great one coming up on Labor Day weekend to Fry's and excursions to the Painted Cave. Will report on that next time. Don Dickey has also secured the guest dock in Santa Barbara for Labor Day Weekend with scheduled wine tasting.

**Vidar, Rear/Acting Vice Commodore**

# Anglers' Corner September 2014

*By Frank Sullivan*

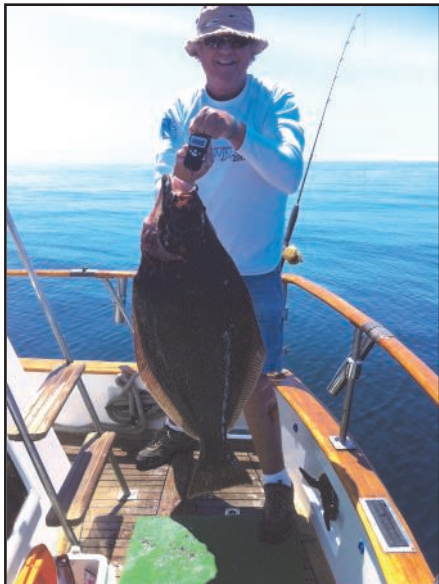

## WSB grow-out pen update:

Buy now the White Sea Bass in the pens should have been released and we are preparing for the next Cohort of fish to hold over the winter and be released in early spring.

**Fishing:** There has been warm water temps up to 74 degrees on the back side of Santa Cruz Island and reports of Dorado being caught only 4 miles south of Anacapa Light.

**Big Fish of the month:** The July Big Fish was awarded to Cary Verstynen's 26 lb. Halibut. So far the big fish of the month for August is Skip Preston's 10 lb. WSB.

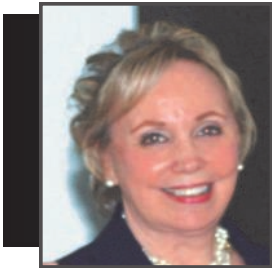

## Upcoming events:

September 12 <sup>th</sup>	Channel Islands Bill Fish Tourney Kickoff Dinner
September 13 <sup>th</sup> to 17 <sup>th</sup>	Channel Islands Bill Fish Tournament
September 19 <sup>th</sup>	Channel Islands Bill Fish Tourney Awards Dinner
November 22 <sup>nd</sup>	Anglers' Awards Dinner

When you are a CIYC Anglers' Club member you can win \$50.00 if you bring in the biggest Legal fish of the month, sharks, rays and tournament fish do not count. You can only win once a year, but as the Lotto people are fond of saying "you can't win if you don't play".

There is a scale in the shed where the ice machine is. All you have to do is weigh the fish in with a CIYC club member or bartender as witness and record the weight. Put the record in the Anglers mail box in the hall down stairs. If you like, call me on my Cell 805-205-4073 and I will witness your catch and take a photo for the Currents. You may also e-mail me the photos and details.

You may also win the Big Fish of the **year** if you turn in the largest fish before the Anglers awards dinner in November. The Big fish of the **year** does not have to have been a big fish of the month winner and may be a tournament fish.

## Message From First Mate Vera Cline

### Greeting Islanders,

Last month I wrote about the historical fashion show being presented on **September 21, 2014**. We are now in the midst of finalizing our plans and really think this event is going to be a hit. Because we are limited to an attendance of 100, I encourage you to email [ciyc.pam@hotmail](mailto:ciyc.pam@hotmail) to reserve your seat. (One table of 10 is already reserved.) Please see the cute flyer in this Currents edition for more details. Of course, you can talk or call Vera Cline, Pam Nast, Sharon Sullivan, or Mary Ann Moore if you have any questions or comments.

To recap: The Channel Islanders is hosting a traditional Afternoon Tea, complete with tea sandwiches, scones, petit fours, and assorted fruits. Entertainment for the afternoon will be “Fashion Memoirs of a Pioneer Woman”. In conjunction with the Oxnard Heritage Square, this is an historical fashion show based on the life of a local pioneer woman, Annette Petit Laurent. “Annette” shares with us her life as an early settler from France to Ventura County through the fashions of the day from the 1850’s through 1913. There will be authentic vintage clothing on display and faithful reproductions worn by the live models.

I am sure all of you ladies have some fine china set aside for “company.” These sets of dishware are stored in your cabinets just waiting to be brought out and admired. Well, this historic event is just the time to bring out that fine china. If you have a set that includes cups, saucers, small plates (bread and butter plates or dessert plates), creamer and sugar bowl and maybe even a small platter, the Channel Islanders would love to borrow those pieces for the afternoon. Your dishware will be under your constant supervision. Each table setting will be different and have a distinct look. Please email [ciyc.pam@hotmail](mailto:ciyc.pam@hotmail) to let us know if you would like to loan us your china.

Also, for your enjoyment, we will have vendors displaying a variety of wares for your discriminating taste that you may wish to purchase. And, there will be drawings for some great prizes.

Vera Cline,  
First Mate, 2014

### Follow-up on the Mediterranean Diet

*Eating a Mediterranean-style diet can cut heart attacks, strokes, and death rates in people at high risk for heart disease by as much as a **THIRD**. The randomized study involved 7,500 people. Those on the Med diet got fish, five servings of fruit and veggies three times a week, and also additional olive oil and nuts each day. They were encouraged to eat white meat, rather than red, and legumes (peas, beans, lentils, soybeans, etc) at least three times weekly. Also, for those who drank alcohol, a glass or two of red wine a day was suggested. They were asked to AVOID sweets, such as cookies, pastries, cakes, etc, and to limit their consumption of dairy foods, including butter, as well as processed and red meats. Beefeaters, take note! (from the New England Journal of Medicine), summary in (Currents, Doc Lines, 2013).*

We now know that excessive meat and dairy products in our diet lead to atherosclerotic disease. Researchers, however, were puzzled: Could a relatively small amount of ingested cholesterol be solely responsible for plaque formation?

In comes CARNITINE. This is a nontoxic compound, abundant in meats and dairy products, and necessary for cell metabolism of fatty acids. That's all fine and dandy, but there are bacteria in the intestines of most meat-eaters. These bugs just love carnitine. We'll call them the "Beefeaters." Ingesting carnitine, these microbes are able to throw an intestinal party, multiply, and become numerous.

Problem: As these bacteria digest carnitine, they release a waste product, trimethylamine, which the liver picks up and transforms into trimethylamine N-oxide (TMAO). This is a really, really bad chemical. TMAO gets into the bloodstream and causes hardening of the blood vessels and arterial plaques!!!

The logical conclusion is that if we get rid of these bugs, we get rid of TMAO. AHA! Antibiotics, you say. Not so fast. Antibiotics will kill off several pounds of our beneficial intestinal bugs as well. New strains will become immune. The cost would be enormous and compliance poor.

The curious finding is that peeps on the Mediterranean diet, do not have "Beefeater" bugs. Their intake of carnitine is low, but sufficient to allow normal cell metabolism. Also, heart-healthy pro-biotics or yogurt may be helpful in modifying intestinal flora. Beware of energy drinks: Many contain as much carnitine as is found in a steak.

Therefore, eat more chicken, turkey, fish, veggies, fruits, and nuts (don't forget unsalted raw almonds. They are the best of nuts).

Condensed from a recent Cleveland Clinic study.

**Your Fleet Surgeon, Zoran**

**Thanks to Erika for editing.**

To CIYC members,  
I would like to thank all of the people who attended the 'Celebration of Life' for my dad and for all of you who participated in his 'Burial at Sea'. The support I have received from the yacht club has proven again that we are one large family.  
Sincerely,  
Cecily

On August 9th, I put on a country western dinner. It was the 3rd one that I have done and the most successful. You can't put on a great dinner without a great crew. I would like to thank that crew: Gary Johnson, Skip Preston, Larry Martin, Bob Nast our new member, our new BeefEater Jim Lee and also our honorary BeefEater for the night Willy Cline. A big thanks to all of you. Plus the great table decorating that was put together by Sharon Sullivan and her decorating crew. Also a big thanks to Rose Hazeltine for taking the tickets, 'no tickets, no dinner', Ellie Bishop for selling the tickets and of course our bartenders. Plus I want to thank Bill Lynch and the Bulls Eye Band for the great music they provided that night and to the members who came out that night to support the dinner, I heard everyone had a great time. Thank you one and all.

This is what the club is all about everyone coming together, having fun, and a great time. So I just want to tell everyone out there to come on out to the club and have fun, catch up with old friends and meet some of our new members. There have been quite a few who have joined since June. Remember, when you come to the club, leave your troubles and cares, your gossip, and anything else at the front door. Just come in have fun and a good time!!

**God Bless All Of You.**

*Cary Verstynen*

John Medlen said he and his wife, Lisa, were led to join CIYC “when Lisa's mom, Olga, joined and brought them to a Sunday open house at the club during the first few weeks of her joining. Everyone seemed really nice and down to earth. Our first experience was with Jerry Wood and, after speaking with him for a while, how could I not join?! He made us feel comfortable and we thought it would be a great place to meet new friends and have new experiences. I'm really happy we joined as we have met some of the greatest people who we now consider to be really close friends.”

John and Lisa have been interested in the water and boats for most of their lives. They have traditionally been a lake family. John and the kids enjoy water skiing and wake boarding. Prior to marrying me, Lisa had been on the lakes most of her life. She was already water skiing with family and friends when she was seven years old. I was born in Alabama and was on the lake since I was 3. John says that “prior to marrying me Lisa had owned many lake boats including jet boats and other high powered boats. When we got married we bought a Ski Centurion competition ski boat that we owned for a number of years. We ended up selling that boat and bought another competition ski boat; however, this one is a little larger and has an open bow. We also just recently purchased a dinghy to use on the ocean that we are looking forward to taking out.”

Their ideal is one we would all want “The kind that runs and requires no maintenance! Lisa and I love power boats. Lexi, (their daughter) on the other hand, is becoming quite the experienced sailor and enjoys ‘Wet Wednesdays’ aboard **Troublemaker**. CIYC has been a great place for our daughter to learn all of these new skills. We are grateful for all of the kind people who have been teaching our daughter how to sail.”

When asked if they “could ‘cast off the dock lines’ (travel) for an extended period, where would you go, John replied “This is a loaded question. We have traveled a lot to the Caribbean and Mexico. But, for a long term stay, we would probably either go back to the Amalfi Coast in Italy, Huatulco, Mexico, and/or Belize.” Any one of those destinations sounds like a great plan.

John concludes with, “Lisa is an avid cook and her Italian upbringing (with Olga) has allowed John to experience wonderful cooking from both Olga and my wife. Lisa is also a licensed Esthetician and does wonderful things with skin care. As for me, I make a living as an attorney, however, my passion is music. I am a singer/songwriter and play in many bands as the guitarist. I play in a jazz fusion band around town named Groove Persona, a rock band named Alchemy, and just recently have been playing country music with Bill Lynch, Larry Stein, and others. I am also part of the CIYC band playing secret agents songs, surfer music, etc., with Bill, Larry, Tom Warden, and Kurt Ingram.”

John and Lisa’s diverse interests and talents make them a great addition to our club. Maybe one day we’ll get to sample some of that great Italian cuisine!
