Your Commodore for 2014

Message From The Vice-Commodore Dave Wardlow

First off, I want to thank you for your vote of confidence in accepting me as your Commodore for 2015. I feel

with your support we're going to have a great year.

As your Vice Commodore, it is my responsibility to manage our office functions and financials. After returning from my leave of absence, I checked into exactly where we stand. I spoke with Linda McCulley and she got me up to speed with audit committee findings. We then developed a plan of attack so we could provide financials for the September BOD meeting, as well as the General Meeting. This could never have happened without Linda's tenacity for perfection and her direction of our accounting person, Vera Hirrel.

Other than that, I have been advised by our in house lawyer that I cannot explain anything more than that, we are handling things. Trust me!

I want to thank Frank Sullivan, Jerry Wood, Linda McCulley, Clark Owens, Wendell Morrisset for their countless hours devoted to getting our club's business back on the straight and narrow. As the CFO and Vice Commodore, and with the help of the Board, we will make sure their efforts are not in vain.

Let's have a Great Holiday Season!

Best regards and Happy trails

Your soon to be Commodore

Dave Wardlow

Vice Commodore

Message From The Rear-Commodore Vidar Bech

Since we are in the middle of the Holliday Season, there is not much Racing or Cruising to report. However, I can tell you that our Parade of Lights boat is

making progress. We have a very creative and dedicated, hardworking crew. They are (in no particular order): Sherie Ireland, Bill and Melodie Crier, Eleanor and Max Hovaten, Jack Borkowski, Barbara Brauns, Joyce Sheridan, Elyse Gonnello, Les Hardwick, Robert Nast, Mike Farrell, Dann Daggett and Stuart Horwitz.

We hope to have an annual Electric Boat Caroling event on December 14, so please join us for the fun. We will send out an announcement with more information and a contact person to sign up with. Last year the group had a lot fun caroling up and down the harbor.

With this, I wish you all a **Very Merry Christmas** and good wishes for the rest of the **Holidays**. May Peace and Harmony prevail in our Club so we can have a prosperous and fun New Year.

Happy New Year – you will next hear from me in 2015

Anglers' Corner - December 2014

By Frank Sullivan

On November 22nd we had a great **Anglers' Awards Dinner** prepared by Dave Gable and his Crew. We recognized and thanked the members of the White Sea Bass Grow-out Pen Team for the hard work accomplished this year.

Sheri Ireland won both the Ladies' Tournament and the Big Fish of the Year with a 28.1 lbs. White Sea Bass caught on Skip Miser's ***Dawn Patrol***. The cash prize was \$100, and her name was engraved on the Big Fish of the year Trophy and the Ladies' Tournament Trophy.

This year's Sportsman of the Year Trophy was awarded to Bob Deyling in recognition of catching the first Marlin in the Channel Islands Bill Fish Tournament (This was his 1st marlin and the 1st marlin caught on the ***Valkyrie***), and all his work on the WSB pens and participation in the Anglers' programs.

WSB Pen Update: After a banner year for our Grow-out pens, we were recognized by Sea-World Research Institute for being the highest producing Volunteer-run facility on the statewide system. Additionally, the folks at SeaWorld Research Institute calculate that our fish grew at a rate 1.4 times that of the other pens in the system. We expect to receive another Cohort on juvenile WSB this month to hold over the winter months.

Anglers' Club Info: Angler's dues of \$10 for the 2015 fishing season are due January 1st 2015. Please send in your Angler's dues with your regular club dues billing. If you forgot and sent the dues in without the anglers' dues, you can provide a SEPARATE check made out to "*Channel Islands Yacht Club, Anglers*" and put **Anglers Dues** in the memo section of the check and send it or bring it to the Club.

Reminder: Rock fish season ends December 31st 2014 and doesn't reopen until March 1st 2015! These species may only be taken or possessed in waters **less than 300 feet (50 fathoms) deep**. The daily bag and possession limit is 10 fish in combination of all species within the RCG Complex (includes all species of Rockfish, Cabezon and Greenlings) per person, with a sub-limit on Boccaccio (3 per person, also included in the 10 fish RCG Complex aggregate limit). Yelloweye rockfish, canary rockfish, bronzespotted rockfish, and cowcod may not be retained (bag limit: zero).

When you are a CIYC Anglers' Club member you can win \$50.00 if you bring in the biggest Legal fish of the month, sharks, rays and tournament fish do not count. You can only win once a year, but as the Lotto people are fond of saying "you can't win if you don't play".

There is a scale in the shed where the ice machine is. All you have to do is weigh the fish in with a CIYC club member or bartender as witness and record the weight. Put the record in the Anglers mail box in the hall down stairs. If you like, call me on my Cell 805-205-4073 and I will witness your catch and take a photo for the Currents. You may also e-mail me the photos and details.

You may also win the Big Fish of the **year** if you turn in the largest fish before the Anglers awards dinner in November. The Big fish of the **year** does not have to have been a big fish of the month winner and may be a tournament fish.

Message From First Mate Vera Cline

Greetings, Channel Islanders,

This will be my last Currents article as your First Mate, 2014. What a year!!!! We had some great events: My particular favorites were **Father's Day** with the Beef Wellingtons and the **Historical Fashion Show and Afternoon Tea**. I hope all the Islanders and CIYC members enjoyed the 2014 Islanders events and have wonderful memories. Liz Campbell is treating us to some photos from the Historical Fashion Show, a truly unique event. Please enjoy them; if you wish to see more pictures, let me know. Linda McCulley made up a beautiful album with pictures taken by her daughter, Amanda. I would be very happy to share this album with you.

On November 28th we need volunteers to bring the Christmas decorations from storage and start organizing the decorating of the club. Because we have so many talented people at CIYC, the club always looks festive for the Holidays. Just show up at the club and we will put you to work!! The decorating will be through the weekend, or until we are done!! Then on December 5th we will have our **Islanders Tree Lighting Buffet**. The Islanders will be providing Honey Baked Ham, and those attending the buffet will be bringing salad, side dishes, and desserts. Let's have a real good time bringing in the Holiday Season.

The following Sunday, **December 7th**, is the **Jingle Bell Brunch**. We'd love some volunteers for the Brunch!!! Please call or text me at 805-551-6662. Menu-planning meetings are in the early stages; we hope for a few delectable surprises along with your traditional favorites. A flyer with all the information will be out as soon as the menu is finalized.

In closing, I just want to say it's been a pleasure and privilege to serve as your First Mate, 2014. Thanks for the Memories.

Vera Cline,
First Mate, 2014

To D or not to D?

This comes from UCSD. People in the study who **died from any cause** were found to have a low level of vitamin D in the blood. The authors suggest one's blood level for 25-hydroxyvitamin D should be checked annually. Levels of 20-30ng/ml are too low. Normal levels are 30-80 ng/ml.

Indeed, low vitamin D levels are common in **the elderly, the overweight**, in those **who lack direct exposure to sunlight**, or **live in northern latitudes** during winter months, or have **dark skin**. Also, many middle-eastern women have low vitamin D.

We know that vitamin D3 is used for preventing and treating rickets and lack of bone calcium in adults. It also **prevents cancer**, boosts the **immune system**, increases **antimicrobial** peptides in the blood, cuts the risk of **Alzheimer's** disease by 50%, quells **anemia** in chronic kidney disease, promotes cells to **utilize insulin**, among other things. Clinical trials are underway to see if vitamin D is of benefit to patients with **multiple sclerosis**. But, why wait?

Preventing cancer? Yep, especially **prostate** cancer, and possibly **breast and colon** cancer. Vitamin D regulates the growth rate of normal and cancer cells. It helps them to differentiate. Most cancer cells are undifferentiated. It also suppresses prostate inflammation, which could be a precursor to prostate cancer. Vitamin D in the blood of patients with aggressive prostate cancer was as low as 12 ng/ml.

We know that sunshine produces vitamin D in the skin. The problem is that as we age, this process is slowed down to a trickle. Even worse, the elderly would have to strip down to skimpy bikinis or Speedos (horrors) for hours. A nudist beach? Think of the sunburns! Foods such as oily fish, eggs, and mushrooms are natural sources of vitamin D, but they are not sufficient to keep blood levels high enough.

The UCSD group recommends taking up to 4,000 IU (international units) of vitamin **D3** daily. Many other scientists also support this dosage, but they caution to check with your doctor first, as there are some conditions where vitamin D is not indicated (lymphoma, sarcoidosis, primary hyperparathyroidism, etc).

If you're heliophobic, tied to your computer, overweight, or elderly; have a prostate, a colon, breasts or immune disorders: Please read this article twice! Carefully!

CIYC's Second Classical Guitar Recital

We hope you enjoyed our recent classical guitar recital. Four guest guitarists - Carlos Gonzales, Carlos Caicedo, Jesse Davis, and Daniel Navarro - entertained us with solos, duets, trios, and quartets. They played works of Giuliani, Tarrega, Villa-Lobos, Telemann, and others. Giménez's composition for four guitars was one of the highlights.

Although a critical game of the World Series was on, we had a good turnout of over 80 people. If there is interest, we can plan for an even bigger and better event in the spring. Let us know.

Thanks to Ruth Hatcher, Willie Cline, and Bill Lynch for helping to make this event possible. We also thank a number of sponsors – you know who you are - for your support! Thank you, all!

Zoran and Erika

'Get Your Cruise On'
 Unscheduled/impromptu cruise to Yellowbanks
 Oct 25th & 26th

Cruise Blog written by Deborah Tyhurst.

Felt it CIYC newsworthy to announce our newest 2014 "Dolphins." My husband & I participated in the Yellow Banks cruise this past weekend. Getting there a day early, we spent the first night at Blue Banks with Gary & Joyce Johnson. They joined us aboard Eau Claire for a lamb dinner & plenty of libations. At about 9:00 we called it a night. Rick & Joyce were comfortably aboard the dinghy & patiently waiting for Gary to reel in fishing line (was in round-the-clock search for that elusive halibut). Gary apparently thought he had grown a couple of inches taller while onboard, took a way too long step, which put him on the pontoon of the dinghy, catapulting Joyce, who had reached out to save him, from the brink into the water, followed by Gary in the water, which unbalanced the boat & threw Rick in as well. After the fear of the event had subsided & everyone was safely aboard the dinghy once again, the laughter began. These three are definitely top contenders for CIYC's 2014 Dolphin Award for 3 simultaneously & unexpectedly over the brink. What a great time.... BULA!!!

The first one to call Cruise Director, Cindy Arosteguy (805-208-1962) & identify these lovely ladies will win a free drink at the club on Cindy.

Gary & Joyce Johnson, a.k.a. Bones & Frankfurter, celebrate Halloween aboard Joy Sea.

EVANS R. HUGHES, CIYC Past Commodore - 1998

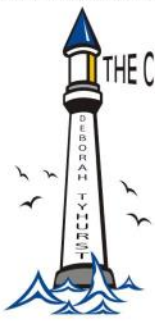

Evans was a really great guy to know and work with. He would get deeply involved in anything he focused on. Evans was very well known for his leadership at CIYC, the Channel Island Harbor, and the West Coast boating world, including; The Recreational Power Boating Association, ASBCYC, and SCYA, Everyone who knew Evans, enjoyed his great smile, and you could hear his voice with the Southern twang all through the building. If he asked you to do something, join a Committee, take on a project, you couldn't say "No", he just had that way about him. I worked with him to initiate the "No-Take Marine Zones" program around the Channel Islands, a successful creative project to insure the future of California fishing. A Burial at Sea and Memorial Service will be held at CIYC in January. Evans and Kim had recently moved to a new home in Opelika, Alabama. For a note to Kim, Islander's Past First Mate - 1998, their address is: P.O. Box 36, Waverly, AL 36879. CIYC Burgee was at half mast for two weeks.

I will miss you my old friend.....

FROM THE LINEN ROOM...

I want to again take a minute to thank all of those people who showed up on Saturday mornings at 10AM to set and decorate tables. Erika, you took the lead for me again when I was gone (couldn't do without you), Les, you can set a table with the best of 'em, Johanne, Sherie, Mary Ann, Pam, Marnie and those who showed up a time or two, (or three), Shelly J., Elyse G., Eleanor H., Judy F., Annie, Penny, Beverly, Hope, Jane V., Joyce S., Renee, Lois and Jim L., and the list goes on (I can't remember all of you), you all worked like a well-oiled machine. Could not have done it without you!

You have ALL have passed Napkin Folding 101A and B, and also the Fine Art of Setting a Table, 201A. This year, many of you passed 301A, Table Centerpieces! Who is to say what is next?!

I have volunteered to do this again next year (unless someone really, REALLY wants the job), so I hope I will see you then. For those of you thinking of helping, "the more, the merrier." It only takes about 45 minutes of your time on Saturday mornings; you will always find a reminder in your e-mail on Thursday or Friday! It is a fun way to get to know people, find out about the club and help out.

Last, but not least, I thank my husband Frank for ALWAYS being there. I couldn't do it without your support.

Thanks again to all of you. Merry Christmas, Happy New Year and Happy Holidays!
