Message From The Commodore Sheldon Berger

Hello All,

As we move into the 4th quarter of the year, we have many events planned thru the end of the year. The Commodores Ball and Club Anniversary will be celebrated with a formal setting including delicious food and dancing. This will be a formal event. We have two more dinghy parties planned...more on that from R/C Medlen. Always a fun time will be our Halloween party. More on all the events as we get closer to the dates.

Thanks to all who helped with the garage sale. We were finally able to empty the attic and reorganize all of our supplies. Lots of members participated and we were able to sell almost all of the "stuff" and the money will be used to purchase new decorations for the Club. The Islanders have gone over the top with the bathroom remodels. The Club appreciates all the hard work and supervision and, of course, dollars that made this happen. Our building is looking beautiful and we should all be very proud of the improvements. The flag pole is next on the agenda to be repaired and should be completed by this time next month. The front door has arrived and should also be installed by this printing. Most important, all improvements have come from donations. We have a great membership. And speaking of membership, we are going to meet our goal of over 200 members for 2017! We have grown by over 40 members year to date. Our new members have jumped right in and are cooking and participating in Club events. Thanks to all! I hope all are enjoying the new format of the Currents. Color copies are available at the club. Emailing seems to be the preferred way of distribution and we are saving thousands of dollars on printing and mailing expenses.

Lastly, I want to extend the Club's condolences to the Paine family. Graham Paine was a great, generous, likable, hardworking, no excuses member of our Club. He will be deeply missed. **Thanks to all and "see you at the club".**

Sheldon Berger, Commodore

Message From
The Vice-Commodore
Bob Taylor

Hello All,

This article is all about thanks. There are many members that have worked hard this past month and need to be acknowledged.

First, we finally got a crew to help clean out the attic and reorganize all the holiday decorations. This was an all-day project. Those that helped were Nancy Forrester, Joyce Sheridan, Nancy Berger, Michelle Smith, Sharon Sullivan, Cary Verstynen, Sherie Ireland, Vidar Bech, Marnie Bech, Sydney McFarland, Les Hardwick, Frank Sullivan, and Linda Weisfuss.

Secondly, we had a Yard Sale on July 22nd led by Linda Weisfuss. Jack Borkowski and Skip Preston cooked hot dogs, hamburgers, and chicken sandwiches to aid the cause. Those that helped Linda were Les Hardwick, Bev Hammond, Yvonne Farris, Sharon Sullivan, Frank Sullivan, Diane Sherlock, Joyce Sheridan, Clark Owens, Mike Farrell, Bob Taylor, Sherie Ireland, Sydney McFarland, Carmen Olmo and Ingrid, Sue Woolf, Vidar Bech, Marnie Bech, Barbara Brauns, Pamela De Simone, Nancy Horwitz, and Cali Baxter.

Thirdly, I had a Shipshape on Saturday Aug. 12th. We cleaned and degreased the patio, painted the elevator floor, and polished the brass railing in the bar. A big thanks to Kip Ots, Carmen Olmo, and Vidar Bech for their help. By the way, does anyone know who owns the big surfboard that is on top of the sheds?

Lastly, I would like to thank Karen Farrell and the Islanders for the remodel of the men's and women's bathrooms. A special thanks to new member Ed Slater who purchased the bath fixtures at his wholesale price, and to Mike Farrell who helped with the installation.

A very big THANKS to all.

Bob Taylor, Vice Commodore 2017

These photos were taken at a Wednesday night dinner prepared by Rita deCaussin, an authentic Dutch Dinner of Pork Tenderloin, zucchini, sweet & sour red cabbage, potatoes, summer salad, Brood(Heinigen Bread), and Amandel Koekjes for dessert.

Fifth Annual CIYC Guitar Recital

Many thanks to our wonderful friends who helped! We thank our donors (They know who they are), Willie, Cary, and Keith for their tremendous help in setting up the stage and placing innumerable chairs, Vidar for technical assistance, Ruth for the delicious coconut squares, Marnie for help with the hors d'oeuvres, Sharon for the linens, Frank for publicity, and Bob & Marylou, Dan & Dana for ensuring that the rumble from the laundry room was silenced!

Our audience was enthusiastic and appreciative – we had standing ovations and whooping and hollering! Alex and Wesley Park played beautifully and included not only classical guitar favorites such as the Leyenda, but also beloved songs such as Ave Maria and Shenandoah. We're grateful to them and to all of you! Zoran & Erika

Message From
The Rear-Commodore
John Medlen

I would first like to welcome Liz Campbell back. After spending a lot of time in the hospital and recovering, she is ready to help CIYC with our Currents again. So, welcome back, Liz!

As for racing events, we just completed the **John Larson Memorial** race held on August 12, 2017. The following are the results from that race: First place – Jane Thomas on her boat, **Wai'lani**; second place – Brent Swanson on **Velero**; third place – Shelly Johnson on **Zoarces**.

As for upcoming events, here is the **September schedule**: 9/2 – Santa Barbara City Race (AYC event); 9/4 – Tequila Derby (AYC event); 9/9 – J/24 & PHRF Regatta #3 (VYC event) as well as a Charity Regatta (SBYC event); 9/9 – Bugay Single-Handed Race (SBYC event) as well as The Prison Break (SBYC event); 9/16 & 9/17 – Ventura Cup Regatta & SB Channel Challenge (VYC event); 9/23 & 9/24 – Fulmore Race (Pelican Bay & Back) (Wilson Series #6/6) (SBYC event) as well as the Coastal Ocean Race SF to Ensenada (SCYA event), and finally our own Lady of the Helm event at CIYC on 9/30. As always, any questions on events can be directed to me, Bill Brayton, or Jane Thomas.

As for **dinghy parties** we have the next one scheduled for September 10, 2017, from 1:00 – 4:00 p.m. and it will be at Wendell Morrisset's home located at 2505 Greencastle Court, Oxnard. My assistants, Lisa Marie and Joyce Sheridan, are preparing a lovely Hawaiian-themed menu which includes Kahlua Pork, Hawaiian sweet rolls, tropical salad with pineapple vinaigrette, and macadamia nut chocolate chip cookies; drink specials will also be served. So make sure to put the date on your calendar and sign up at the bar, so we can have an estimate of the number of people attending.

Finally, I am in the final preparations for our next **"Cruze" event**. We will be Cruzing to the Vineyards on October 22, 2017. We will be taking a bus that will pick us up at the club at 8:00 a.m. and begin our visit in Los Olivos in the Santa Inez valley. We will be tasting at 3 different locations, serving snacks at these locations and also lunch. I will send an email blast to the members once everything is solidified and confirmed. Please note, however, that only the first 40 people signing up will be able to attend, due to the restrictions placed upon me from the wineries. So, keep a lookout for the email and sign up fast.

See you around the Club!

John Medlen

Rear Commodore

Message From First Mate Karen Farrell

Hello Channel Islanders and CIYC Members!

We just received the devastating, but inevitable, news that Graham Paine has passed away. We all loved Graham and can remember him as a fun, free spirit and very generous man. He fought a long and hard battle against cancer and he is now at peace!! Our prayers go out to his family as they process their loss.

On a more upbeat note...we had a very successful Islander Regular Meeting event on August 12th. As of Wednesday afternoon, we only had 9 sign-ups and ended up with almost a full house. Thank you to all that attended. I hope you had a great time. Thank you to Sharon Sullivan, Erika Barbaric, Marnie Bech, Johanne Berg, Annie Landry, Mary Ann Moore and Eleanor for table set-ups and centerpieces. Thank you to Joyce Sheridan and her crew: Vera Cline, Judy Fraser, Elyse Gonnello, Pat Korecky, Linda McCulley, Laurie Preston, and Josie Renner. The dinner was wonderful and I heard people raving about the dessert! A big thanks to June Rawson, Dewayne & Toni Weaver for putting together the fashion show. The clothes selections were great and the models entertained us with their performances. Thank you to the models: Barbara Brauns, Sherie Ireland, Pat Korecky, Dianne Merrill, Sharon Ulig, Willie Cline, Bob Taylor and Dewayne. Please drop in and see June Rawson's store, Sixteen/Ageless Styles which is right by Big Lots. Oh, and, of course our own Ships Store!!

Restroom renovation! Restrooms were usable as of 8/12, but they were not entirely done. That will hopefully change by 8/18. I want to thank Ed Slater, a newer member, for not only getting us the plumbing fixtures wholesale but installing them as well. If you see Ed, introduce yourself and give him a big thanks!! Also, be sure and thank Skip Miser for very generously donating and installing the men's new granite countertop. I can't overlook thanking my husband, Mike Farrell, who spent many hours working on the rooms and being a huge support for me!! This finished project is an enormous improvement to CIYC! And the 'seaside' artwork is just the 'topping on the cake' so to speak.

In closing, I want to say how thankful we are that Liz Campbell is back home from her stay at St. John's Hospital & Glenwood Care Center & now getting help from Livingston Home Health Care and ... back on the job as Currents Editor!! Welcome back Liz ☐

What's next for the Islanders?

September 8 & 15th Billfish Tournament dinners set-up, serving and clean-up by the Islanders'.
We need many helpers!

September 24th Fundraiser Luncheon and Historical Fashion Show and History of our very own harbor area organized by Vera Cline.

Please mark your calendars. If you are interested in helping with any of these events. Please let me know by email, karenfar@ymail.com or phone 805-512-7795.

See you at the club!!

Karen Farrell

1st Mate 2017

Anglers' Corner - September 2017

Fishing Report:

Big Blue Fin Tuna, over 100 lbs., are being caught as close as just outside San Clemente Island. There are reports of Yellow Fin Tuna caught outside of Anacapa Island. **Skip Miser** did an exploratory trip down south but didn't see any Marlin until he was on his way back. He got a knock down on a Marlin that didn't stick, behind Anacapa Island, this bodes well for our Channel Islands Bill Fish Tournament.

Men's Fishing Tourney:

We finally had the Men's Fishing Tourney Saturday, August 5th. We only had 2 boats that could make it; we had plenty of fishermen who would have liked to go. Next year we will work on getting more boats involved! The bite was scratchy at best, but all had a good time on the water. **Jack Borkowski** caught a 5.15 lbs. YT for 1st place, **Skip Miser** caught a 2.3 lbs. Salmon Grouper for 2nd place and **Bill Magee** caught a 1.9 lbs. Sculpin, beating out Jim McCulley's 1.6 lbs. Rock Fish, for 3rd place.

WSB Grow-out Pen Update:

The 15,000 fish we had in the pens were successfully released Wednesday, August 9th, after the CIYC dinner. Thank you to all the folks that came by to help and/or watch. We had plenty of help.

Coastal Conservation Association Fundraiser:

CIYC Anglers really stepped up to help get the newest chapter of CCA-Cal up and running. The inaugural Surf N Turf luncheon and fundraiser were very successful. Net proceeds were over \$14,500. We had CA members from both Ventura and Santa Barbara Counties involved, but it was the efforts of CIC members that made the difference. Bill Lynch and Gary Johnson lead the Cooking crew, while Linda Weisfuss and Lana Lynch, with the help of Tiffany Vague from SB, ran the Raffles and Auctions. Thank you also to all of you who sold tickets, bought tickets and attended the event.

The Coastal Conservation Association is a 501(c)(3) non-profit organization. The purpose of CCA is to advise and educate the public on conservation of marine resources. The objective of CCA is to conserve, promote and enhance the present and future availability of those coastal resources for the benefit and enjoyment of the public. The two stated goals of the California Chapter are to: 1) enhance inshore fisheries and 2) enhance inshore habitat (reefing).

Upcoming events:

September 8th	Channel Islands Bill Fish Tourney Kickoff Dinner
September 9th to 13th	Channel Islands Bill Fish Tournament
September 15th	Channel Islands Bill Fish Tourney Awards Dinner
November 18th	Anglers' Awards Scampi Dinner

Frank Sullivan, Anglers' Chair

Men's Fishing Tourney
August 5th

Skip Miser

Jack Borkowski

Bill Magee

Doc Lines

Operating Naked

It all comes down to how bacteria shed from human skin and contaminate the operating room. Apparently, bacteria get into the air attached to tiny skin flakes called *squamules*. And if one wears clothing, it rubs onto the skin and releases more of these bacteria-laden *squamules* than if one were naked.

So, a published study from the University of Washington found that if the operating room staff were operating nude, there would be a significant drop in post-operative infections. This is not quite confirmed yet, because it's difficult to find volunteers to perform a proper prospective double-blind study. But, if there is to be a significant decrease in post-operative infections, it stands to reason that the surgeons, nurses, anesthesiologists, and ancillary operating room staff should all perform their tasks nude.

Also, given the rise in serious hospital infections, perhaps the whole hospital staff, including receptionists, cleaning crew, technicians, laboratory personnel, security team, and the hospital director, should be running around the hospital naked.

And one should even go further. For instance, your annual physical in your local doctor's office should be conducted by a nude GP, and blood pressure taken by a naked nurse (one's readings may be somewhat elevated), and blood drawn by a naked phlebotomist. That would surely encourage everybody not to skip his or her annual physical, and therefore improve the quality of medical care.

There was no mention of dentists and chiropractors. But, hey! What the heck, if everybody in medical practice is going naked, why not these two specialties? And should this extend to the food industry? Including restaurants, kitchen staff, servers? Including our club galley? I can imagine our Beefeaters cooking a pot roast. The possibilities are endless. Thank God, we have serious researchers in the medical field whose published scientific papers enable me to submit satirical, silly stories to Doc Lines!

The GULO Gene

Some animals have it. We lost it a long time ago. It's a liver enzyme that converts sugars into Vitamin C. We can no longer produce this vitamin within our bodies; therefore, we have to supplement it with our diet. How many milligrams a day is still debated. A study published in the journal *Epidemiology* states that, "Individuals with the highest Vitamin C intake of 300 mg (equivalent to 5 oranges a day), suffered 35% fewer deaths than those with lowest intake, about 50 mg (1 orange a day). This translates to about six more years of life for those who consume higher levels of Vitamin C."

Your Fleet Surgeon, Zoran

Thanks to Erika for editing.

DO YOU KNOW?

Bill and Vera Cline

As told to Keith & Mary Ann Moore

VERA --How did I come to live here? I was 6 years old when we moved to Port Hueneme. My father was a 22-year US Navy veteran, and Port Hueneme was his last station before retirement. I am now ?? years old? Well, let's just say "I'm a Local Native!" and have seen every change to our community, starting with development of the Channel Islands Harbor. I can remember when it was just a long ditch of standing water surrounded by cattails, and there were a lot of ducks. Channel Islands Boulevard was a 2-way street with no stoplights. And, hardly any houses on the beach; everyone wondered, "Who would ever want to live on the sand?".....Yuk, sand got into everything! My childhood was like Mayberry, USA...a small town, uncrowded beach, ride your bike all day (which would cover the whole town) and not a care in the world. I feel very lucky.

How I met Bill.....We were both living on Silver Strand Beach and knew one another by sight. We both were already married, so were just acquaintances...until I divorced and started dating one of his friends and got to know him better. Then he divorced, and we met each other at a party and have never parted since.

Joining CIYC and club activities...In 1998, when Evan s Hughes was Commodore, Bill was a teacher at the **Hueneme School District** and friends with Mike Preach. Mike invited us to visit the club and join. For many years I was not terribly active in the club as I was full-time working in government contracting and aerospace. At home, I was always a good cook, but I had no experience cooking for a lot of people. My first meal for the club was my brown sugar-glazed **Corn Beef and Cabbage**, based on a family recipe my father used. He was the cook in our home! When Joyce Sheridan organized the **Epicureans**, the ladies cooking group, I wanted to expand my cooking horizons. As a personal challenge, I presented the FIRST Epicurean dinner, **Coq Au Vin**. I have been very active in the Epicureans, as Woman in Charge (WIC) for two years. I am also active in the **Channel Islanders**. I have served as **Recording Yeoman, Second Mate 2013, and First Mate 2014**. I have also served the Club as a **CIYC Director and Treasurer**. During the TGIF (Thank-God-Its -Friday) horse races, I am your favorite bookie, a fun off-beat chore that takes me out of the kitchen.

Currently...I am now retired, living on Hollywood Beach and enjoying my free time. My hobbies include reading, and cinema (the golden era of from 1930s to 1960s , I have tons of books and tapes), cooking, walking along the harbor... and, napping!! Willie and I are planning some trips, perhaps to Machu Picchu Peru next year. We love our MINI Cooper and belong to the **Southern California MINI Maniacs** and drive on their excursion tours regularly.

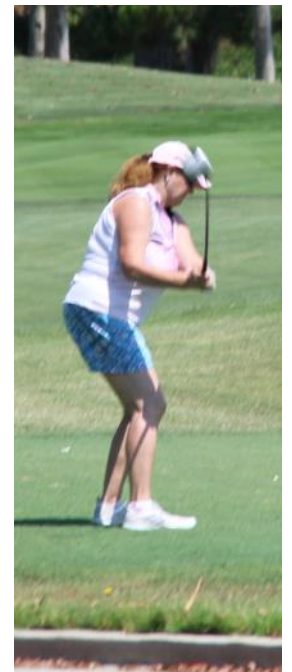

FROM WILLIE --I am a native of Juneau, Alaska. Born on January 1, I was the first baby that year and won all the prizes. When WWII started, mother moved the family to southern Idaho where she was from and my father stayed in Alaska working for the Army Corp of Engineers. After the war, the Cline family moved to Bremerton, Washington.

I joined the Air Force after high school and was stationed in the Far East; visiting Korea, Taiwan, Hong Kong , , and Japan. I completed my Air Force stint and went to college. I graduated and work one year at the Boeing Co. I hated the rainy Seattle weather and my job and decided to move to sunny Southern California. The **Hueneme School District** offered me a teaching contract that lasted for 32 years. I retired in 1998. At CIYC, I have been a **Board Member, Bar Manager, Rear Commodore** and **Port Captain**. Vera and I have been members for 19 years and enjoy many happy times with our CIYC family.

When you see them next, say hello to Bill and Vera and stay tuned for next months "DO YOU KNOW."

Harbor Department and Ventura County Challenge Oxnard City's Jurisdictional Authority to Review Proposed Fisherman's Wharf 400 Apartment Complex at the Coastal Commission Hearing This Month

The Harbor Department (HD) and Ventura County (VC) have officially filed for a "Dispute Resolution" hearing this month before the Coastal Commission (CCC). The purpose of this Dispute Resolution hearing is not to determine the proposed development's compliance with the Coastal Act. At this hearing, the only issue will be the City of Oxnard's jurisdiction over its Local Coastal Plan (LCP) and its related procedures and process the Harbor Department aims to circumvent.

As previously reported, the Coastal Commission staff has determined, that Amendment 7 to the Harbor's Public Works Plan (PWP) for the Fisherman's Wharf Apartment Complex, is inconsistent with the City's LCP. This means the Harbor Department is required to get the City to amend their LCP in order for the proposed project (Amendment 7 to the PWP) to proceed to the next stage of CCC review and possible approval.

The City has requested the Harbor Department provide more detailed information about the proposed development, including a specific plan, in order to proceed through their LCP amendment process. To date, the Harbor Department has been unwilling to do so. Instead the Harbor Department and County has chosen to take the position that the City does not have the right to review the project. How then can the City be expected to reasonably and responsibly determine whether it should amend its LCP?

It is clear from emails between the Harbor Department and City Planning Staff, that initially the Harbor Department inappropriately presumed that the City would simply amend its LCP to facilitate fast tracking the project through the CCC process. However, that would have meant the City would need to forgo, basically abdicate, its jurisdiction over its own LCP. The City has rightfully chosen not to do so.

The Harbor Department and County is "disputing" the City's jurisdiction on this matter in order to avoid the City's LCP amendment process, whose outcome is uncertain and public and transparent.

Whatever the outcome of the Dispute Resolution hearing, the piecemeal planning of harbor development remains an issue. Development of public land that is contrary to the harbor's entrusted priority of visitor-serving and harbor-oriented facilities remains an issue. A gated 400 apartment complex is not a priority use of public coastal land. Residential development that removes a substantial number of low cost or no cost public and boater parking should be rejected.

Development that promotes recreational boating, fishing, and other water recreation that attracts visitors to the harbor area and the Channel Islands National Park should be supported. Facilities for commercial fishing, marine and boating related businesses in the harbor should be promoted and maintained.

As advocates of boating and recreational water activities and as active harbor community members, what can and should we do?

Rene Aiu, Co-Harbor Delegate

Support the City of Oxnard's jurisdictional right and Oppose on-going piecemeal planning of Harbor development. Support to keep our Harbor the premier small boat and water recreation harbor as envisioned.
