## Message From The Commodore Georgie Olsen

Dear Members,

It is that time again, members are going to be asked to select a new Board of Directors for the year 2012. This is a great way to get involved and I know those of you who will come and vote in the Board of Director will do a great and worthy job. There are many aspects to being on the board that are rewarding. Remember this is a great club and this Commodore wants only what is best for its survival. Being on the board takes sacrifice from your family and a commitment to the Club. First and foremost we all must remember this a **SELF HELP** club and many more of you need to get involved. With all of us pitching in, it helps to keep the cost of membership down. Please start supporting your club more. It is not fair to have 20% of the membership doing 80% of the maintenance and jobs. Everyone who gets on a committee or helps with Dinners, Dingy parties, Socials, Chairman for cruising, Anglers, Islanders, Epicureans, Beef-Eaters, Parade of Lights, and Races, will get to know new and great people. This is called involvement. This is what makes us the best Club around. Those who have been around for some time are getting to the point they need and could certainly use new Ideas and blood. Age has a way of creeping up on us all.

If you have Ideas for the new Board of Directors please give them to your existing Board.

Remember Members, this is your Club and its survival is up to all of us. We can't continue the way we are as the economy won't allow it. It takes a good piece of change to keep this club the happy place it is and all the wonderful activities that occur. As I'm writing this article I'm trying to include some of the things that will have been said at the General Meeting in August. We must make some changes and hopefully they will be for the good, it however is up to ALL of the Members not just a few. A big **THANK YOU** to the Social Committee for our wonderful **County Fair**, 6 men and 4 women put this together for all of you to enjoy. Joyce and Opal shopped for **animals** for over 8 months to bring fun to all of you. Please do try to get more involved people, as this will make the work lighter for all. Next will be the **Parade of Lights** please help Mary Howard out with her committee for this special day.

Hope all your vacations have been filled with fun, laughter, and love.

**May the power that be bring you home safely to CIYC.**

**Georgie Olsen**

## Message From The Rear Commodore Cary Verstynen

Hello fellow club members.

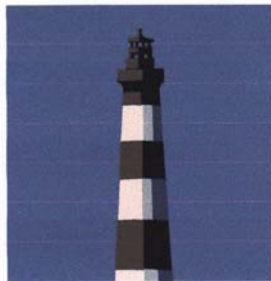

Well August is behind us. We had a good month. Good Wednesday night dinners. Good dinners put on by the **Beef Eaters** and the **Epicureans**, my thanks to them. **The County Fair Social** at the first of the month was a great success, thanks to Joyce and her crew. Carter Gage put on a great dingy party at the end of July. We also had a good shipshape to get the club clean and ready for the month. Thanks to those who helped, I will try to do the names from memory; sorry I did not write them down. But they were Chris Mc Pherson, Graham Paine, Jim McCulley, Dick Olsen and Rosemary Roberts. The next one will be the first Saturday in September. So come on out and help in any way you can. And check the calendar in the Currents for events in September and come on out and have some fun. Some of the events will be a dingy party and an anniversary party for the club, 51 years. Plus some sailing and fishing events.

As you *can* see we can get a lot done with volunteers. The Wednesday nights and Saturday nights for the month of September are covered. There will be some great dinners and entertainment. So come on out and have some fun and enjoy the company friends and members at the club.

Remember this is your club. Please help keep it clean and tidy. My thanks to all of you who do this throughout the month.

**Once again have a great month and come out and visit.**

## Message From Channel Islanders' Second Mate Nancy Latham

Dear Channel Islanders,

**Ahoy from your Second Mate.** I just want to catch you up on the latest news from our club. There's both good news and bad news. Unfortunately, the bad news is that our First Mate, **Sue Warden**, is still on the east coast. She has really regretted not being able to be here to help us, but like all construction projects, there have been delays after delays in the restoration of their beautiful home. At this point, she is not sure of her return date. The good news is that the Board is doing our best to carry on in her absence.

The first upcoming event is the **Billfish Tournament**. Joyce Sheridan and crew will be doing a fish fry for the group on **September 9**. We'll need servers for the dinner, as well as for the **catered final dinner** on **September 16**. **Kim...** will be contacting many of you to ask for your help.

You may have received a letter announcing a Rummage sale on October 8th. Unfortunately, due to a scheduling conflict the Islanders Board has cancelled this event.

We have two important general membership meetings coming up. Both meetings will be luncheon meetings at the club with happy hour starting at 11:30. At the first meeting on **September 29** we will vote for a nominating committee to select the slate of officers for next year. The lunch will be prepared by Joyce Sheridan and the cost will be **\$10**. After our business meeting and lunch, there will be a presentation on **"Belly Fat & Emotional Weight Loss"** by **Dr. Michael Roth, D.C.** That should be very interesting to all of us trying to watch, or reduce, our weight.

The **second meeting** at which **election of officers** will take place is on **October 27**. Lunch will be provided for all members at that meeting. Please support your club with your presence. Our last meeting had to be cancelled due to lack of sufficient attendees. We can't conduct the important business of this club without you. With the financial condition of CIYC in question, the money we raise is very important to support the continued success of Channel Islands Yacht Club!

An exciting new event to look forward to is a **holiday luncheon on December 4<sup>th</sup>**. There will be vendors who will be selling various types of products. They will **donate 15% of their profits** to the club, as well as one item for a raffle. If you have a vendor you would like to recommend, contact Jackie Biederman or Diane Sable, the co-chairs of the event. (No CIYC members will be allowed to be vendors.) In addition to the vendors and a lovely lunch, there will be a table decorating contest. We will give you more details at the upcoming meetings and in an invitation.

I will look forward to seeing all of you on **September 29**.

Sincerely,

Nancy Latham, Second Mate

# Anglers' Corner

By Frank Sullivan

What a great month for the Anglers! We had the **Lady Anglers' Fishing tournament on August 14<sup>th</sup>** with Lenora Linman, Connie Calo and Debra Tyhurst on Skip Miser's boat "**Dawn Patrol**". On my boat the "**Valkyrie**" we had Joyce Sheridan, Phyllis Lucas and Laurie Preston. The "**Valkyrie**" headed for the Islands but Skip had decided to take a chance and go south along the coast, and it paid off. Everyone caught fish on both boats but the winners were all on Skip's Boat. Connie Calo caught a 44.4 lb. White Sea Bass, Debra Caught a 6.2 lb. Barracuda and Leonor caught a 6.1 lb. Barracuda.

On **August 21<sup>st</sup>** it was the Men's turn. This time the "**Valkyrie**" had Ed Thompson, Phil Woolf, Don Dickey and me fishing the Tourney. On "**Dawn Patrol**" it was Skip Miser, Miles Linman, Dick Olsen and Dave Erickson. The "**Valkyrie**" went long to the back side of Santa Cruz and started working our way back around the Islands to Smugglers Anchorage. "**Dawn Patrol**" spent the day in Chinese Harbor, on the front side of the Island. On the "**Valkyrie**" the fishing was scratchy until we got to Smugglers where Phil Woolf, who claims not to have fished in 25 years, first caught a very nice 17inch Calico Bass then a monster 36.3 lb. Halibut. Meanwhile Dick Olsen on "**Dawn Patrol**" put on a nice 29.3 lb. Halibut and Dave Erickson caught a 21.9 lb. Halibut.

At the weight-in **1<sup>st</sup> place was Phil Woolf, 2<sup>nd</sup> was Dick Olsen and 3<sup>rd</sup> was Dave Erickson**. All three winners donated their winnings back to the Anglers' program thanks guys!

## Upcoming events:

**September 9<sup>th</sup> – CI Bill Fish Tournament Kick off dinner 7pm**

**September 10<sup>th</sup> to 14<sup>th</sup> CI Bill Fish Tournament**

**September 16<sup>th</sup> – CI Bill Fish Awards dinner 7pm**

## WSB Pen Update:

14 CIYC members and friends worked on the WSB pens August 8<sup>th</sup>, to get them ready for new fish. We spent the day cleaning the accumulated mussels and biological off of and repairing the holes of the predator net.

I thank all who helped it made a big job go quickly. "Many hands make for light work"

Those who worked were:

Frank Sullivan	Skip Miser	Bob Deyling
Don Dickey	Zoran Barbaric	Charlie Farrell
Colin Farrell	Don Hummer	Cary Verstynen
Curt Ingram	Bob Ridenour	Phil Woolf
Hilal Helweh	Ryan Gamble	

As I write this we are scheduled to receive **20,000 Juvenile White Sea Bass on the 28<sup>th</sup> of August**, filling all 3 of our pens.

### "Big Fish of the Month"

### "Big Fish of the Year"

At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

## **GUIDELINES FOR BUY AND PREPARING MEALS FOR CIYC**

### **1. Before purchasing food for your meal, please:**

(a) Check the stock in the CIYC kitchen first – there may be items that you can use such as spices, flour, butter, cheese, butter, garlic, etc. This will cut down the cost of the meal. If garlic is purchased pre-chopped, time is saved.

(b) Estimate the number of people you will have for dinner; multiply that number by the price of the dinner; multiply by 40% - this figure is the upper amount that should be spent for the ingredients for dinner. For example, 50 dinners X \$10 = \$500 X 40% = \$200; however, if you can spend less, please do!

(c) Good bargains on bulk food may be found at Smart & Final, Sam's Club, and Costco. Potato products may be purchased through Valley Spuds. Watching ads in the paper or ones received in the mail is also helpful.

2. When staffing for dinners, a good guideline is 4 people for Wednesdays and 5-6 on Saturday. If there are too many people, it's difficult to move around easily.
3. The ovens take some time to warm up, please turn them on when you arrive to prepare. Also, the proper sequence to turn them on is first, the bottom gas knob is turned to the left until the mark lines up with the "on" – second, the top knob turns to the left until the mark lines up with "one," at which time the fan comes on – third, set the temperature. These are convection ovens that will cook faster than a regular oven, so time or temperature will have to be adjusted accordingly.
4. DO NOT POUR GREASE DOWN THE DRAIN. Pour it in a can and, when it has cooled, throw the can in the trash. This will save on plumbers' costs!
5. When the meal is ready, fill the steam table upstairs with water to at least 1" deep measured at the basin furthest from the water supply after the water level has normalized. Then turn the temperature to the proper setting (Approx. #4 or 5). If you are serving banquet style, set up the folding tables.
6. At the end of the meal clear up your work areas and scrape out any cooking pans you've used then set them in the sink to soak. Package and mark any leftovers with the date and what it is before placing them in the refrigerator or freezer.

This should be a fun experience for you and your crew. Relax and remember - you're cooking for friends!!

## HISTORIAN

### Beverly Hamilton

Did you ever wonder where the names “HOLLYWOOD BEACH” and “SILVER STRAND” came from? Well--- in 1920 Paramount Studios signed on a handsome new actor from Italy named Rudolph Valentino to star in an upcoming film “THE SHEIK”.

The location unit from Paramount Studios found an empty beach in the city of Oxnard about 80 miles from Hollywood. There were sand dunes, a small lake for an oasis, beautiful beaches and great weather. One drawback – no trees.

Paramount’s set department went to work and delivered 200-300 palm trees with non-fading green fronds, gracefully swaying trunks and papier mache coconuts. They could be planted and then moved as needed.

The movie was filmed in 1921 and was an immediate success. Rudolph Valentino became an instant star and Oxnard became the new Hollywood. The area became “Hollywood by the Sea” Another development was named “Hollywood Beach” and a third was “Silver Strand”.

Developers jumped in and were selling small lots suitable for resort living for \$200.00 each. Just imagine, ocean-front houses are now in the Million Dollar range.

This, however, marked the start of what is now the marina named Channel Islands Harbor and is one of the most successful boating and recreation areas along the California coast.

It took over 25 years from when Congress authorized the study of the harbor to it’s dedication on Memorial day, May 30, 1965. Our own Jimmy Donlon was one of the major people involved in getting the harbor up and running.

Fun Fact! The palm trees were returned to Paramount Studios and were acquired by the Ambassador Hotel on Wilshire Blvd. in Hollywood for their new ballroom, which was quite bare and uninviting. By installing the new trees, the ballroom became the “Coconut Grove” and was soon the “hotspot” for the Hollywood crowd.

**Dunkin' Dinghy Party at Virginia & Carter Gage's was another fun one!**

THANK YOU Carter & Virginia for again hosting Such a Nice Event.

Kudos to Tim Haapanen and his new recruit, Darin McKinga. As usual your special-ty in BBQing was outstanding. That marinated chicken breast was awesome! Plus thank you for all the extras you did to help put this dinghy party together.

Jennifer Sparks – thank you for coming in on your day off- no less- and preparing Opal's fabulous potato casserole & your tasty broccoli casserole. This was above the call to duty and much appreciated. The next day Mary Haward & daughter, Megan, came in and baked the casseroles. Thanks girls!

Francine Thomas, Cathy & Don Hummer & Kathy II came and filled in the loose ends. Thank you!

Tom Warden – thank you for coming & timing the Dunkin' Dinghy Race. It was a blast! Twelve entrants – tight race between First & Second Place. But **Don Dickey came in First & the Clark Lewis Team coming in as Second. Good Job!**

Kathy Griffith – Thank you again for taking charge of selling the tickets, etc. And then there's Cecile – our very own bartender – She never ceases to amaze me. She's unique, what can I say. She not only bar tends at our dingy parties – she brings her own bar! All of her volunteer work is much appreciated.

The never heard before duet – “**the Pics**” wowed you so much I booked them for the next Dingy Party!
