Message From The Commodore Mary Foster

Channel Islands Yacht Club Opening Day April 11th was a day to remember.

Beginning the day; (16) sixteen boats participated in the boat parade. We had dolphins join us in the Harbor. No rain during the ceremony.

How many ways can you say thank you, not near enough for the spectacular opening day headed up by Jr. Staff Commodore Larry Golkin and Daphne Hetherington of the Channel Islanders not one detail was missed. An event we can be proud of forever.

There is one very special gentlemen who has given to CIYC his dedication, endless hours of time and effort to keep your club in shape. He comes to your club everyday and prepares the club for the next function. Sweeps the bar, vacuums the carpets, is always ready with a smile to do what ever is needed to keep us ship shape. Please look around; the balcony and upstairs decks have been resurfaced, the flag pool has been painted, the patio repainted, just to name a few. This gentleman is your **House Captain, Ed Calo**. Next time you see Ed at the club take the time to say hello and let him know how much we appreciate what he does for us.

Our Racing Associate Members, thank them for the Hot Dogs and arranging the ceremony assembly area. The team does this annual function with pride and dedication.

We have so many members that give day in and day out to CIYC.

Did you realize, the kitchen must be monitored daily/weekly. It is required to inspect the refrigerator to be sure all contents are labeled and not outdated, the same for the freezer. The pantry must be monitored; no storage on the floor, no open containers, and all contents must be inspected for date to be used by. The shelves and dish storage must be organized.

Than there is the necessary supplies this requires weekly review, go shopping and than put it all away. Have you volunteered to help with these duties?

All this falls on your Rear Commodore, and all the excellent volunteers that perform these duties.

Than we go into the computers, sound system how would we do all this without your help. Step up there is always something that needs to be done.

Thank you front desk receptionist Brandy, excellent bookkeeper Pat, our bar staff, Kathie, Leslie, Lynda and Ceci-ly. We have the best bar manager of any organization our Jack Borkowski. The list goes on and on.

Every day you see Liz at the club working on the Currents. We could really use a new lap top that Liz could use at home. We could also use a larger screen monitor when Liz works at the club. Donations are always welcome for the extra items we need. It is a privilege to be your Commodore.

If you were not in attendance for opening day, on the following page is printed my opening remarks.

Commodore Mary Foster

April 11, 2010 CIYC Opening Day 50th Anniversary Welcome Speech

Welcome aboard to all our visiting dignitaries, Commodores, officers, family, friends, and members, to celebrate our 50th Anniversary Opening Day! I am honored to represent all the member participation and hard work that has brought us to this moment; weighing our past, charting our course through the future, and sharing our nautical traditions.

CIYC offers fellowship for all, afloat through our racing, cruising, Anglers, and dinghy programs, Whale watching; ashore with our Beefeaters, Epicureans, Islanders, fun nights, Bocce Ball and socials; in our community supporting boating access and education, the White Sea Bass pens, our uniformed services including the Navy, Coast Guard, local harbor patrol and first responders, and non-profits including the upcoming VCMRF Charity Regatta.

I am proud to support and participate in the CIYC fantastic racing program! Just a few highlights include Harry Krum's *Fus'ee* – Newport to Ensenada class winner, Tim Haapanen's *Sisu* – ASBCYC Champion and Ventura County High Point winner, and Shelly Johnson's *Zoarces* - VYC's Commodores Race winner! Our Lady at the Helm race drew record participation, with several ladies their first time at the helm along with an all female crew and our club members have been instrumental in the formation and support of the Channel Islands Women's Sailing Association. Channel Islands Yacht Club prides itself on being the friendliest yacht club, welcoming cruisers and adventurers from around the world, our friends, guests, and new members of our boating community. We open our arms in friendship and thank you for joining us today - as we celebrate our Opening Day and the first tack in our journey through the next 50 years.

Message From The Vice Commodore Georgie Olsen

What a wonderful way to return from Vacation. The Club was beautiful and clean for Opening day, which by the way was super and so much fun.

We had a wonderful **Lady at the Helm** race on **April 3** and it was a great success. Larry again you did a superb job as Race Chairman. I could not have had such a special day without you and all the wonderful ladies that participated in it. Also kudos to Jack again for the wonderful food.

These are the winners of the **Lady at the Helm**.

First Place Spinnaker: **XS**

Second Place: **Tortise**

Third Place: **Maine Squeeze**

First Place Non Spin: **Out Patient**

Second Place: **Sisu**

Third Place: **Paradise Found**

Thank you Ladies for all your hard work while having fun.

As you know Our Opening day was very special and even the dolphin's came to wish us a wonderful yachting season. Thanks to Larry again and Frank Sullivan for making the parade a great success and to have had 16 boats was wonderful. Our cruise to CIYC instead of Ventura was also a great success.

Again it is so hard to tell you about activities that have yet to come. But be assured I will elaborate next month.

May the powers that be bring you home safely to CIYC
Vice Commodore Georgie Olsen

Message From The Rear Commodore Connie Calo

April was a fine month and a congrats to all who made Opening Day one to remember.

The flag pole received a new paint job and looks great as do the new surfaces that Vintage installed on the roof and balcony.

We are continuing our search for the right barstools and are getting close. Your comments and contributions are appreciated. Pat in the office will be setting up a bar stool account.

We had a very successful **Easter Luncheon**. The Naylors and their crew did a fantastic job and of course what would Easter be without our own **Easter Bunny and Chicken**. Thank you.

Wednesday night dinners were wonderful and I want to thank all the cooks who volunteered there time and talents including new member Carole LaPoint who cooked her first **Wednesday dinner on the 21st**. With such a full month of activities we only had one Saturday night dinner. Many thanks to Beefeater Carter Gage put together a delicious pork tenderloin with his special drunk carrots and Virginia's fantastic desert.

I HAVE OPEN WEDNESDAY AND SATURDAY NIGHTS THAT I NEED COOKS. PLEASE HELP OUT!!!!

Bocce ball starts May 20th so start working on your technique for lawn bowling with wine in hand. With the start of bocce ball, movie nights will be moving to Tuesday nights. Bar hours are changed, we will be closed Monday nights but open Tuesday nights at 5pm until Monday Night Football starts.

With the summer months approaching, I hope you will come out and enjoy all the Club has to offer.

Your Rear Commodore,

Connie Calo

**Easter Luncheon
April 4th**

Message From Channel Islanders First Mate Daphne Hetherington

Happiness & Greetings to All,

Here we are into May already, **Opening Day** behind us and we are ready for another great

racing season at CIYC. Speaking of Opening Day, what a spectacular day we had. Everything was perfect, and once the swordfish landed on the table, I knew we were in for a very special celebration. The weather gods were, once again, with us and although a bit chilly outside for the ceremony, no rain on our parade. The Islanders are the backbone of our club and we worked very hard to present our Club with an Opening Day that each and every member would be proud of. I would like to say a “special” thank you to Jim Carlson for all his work and preparation for our beef station. And thank you too, Jack Borkowski for stepping in and helping with the last minute details with the meat slicer. From the bottom of my heart I thank you so much. I would also like to thank all of you who so generously donated to help us with the costs associated with Opening Day. I am delighted to report that our donations totaled **\$1,220.00**, which surpassed last year’s donations by \$275.00. This speaks highly of our Club members, again thank you so very much. And what would Opening Day be like with out the Tom & Carole Naylor deviled eggs. Thanks to you both for continuing your tradition for us.

Also in April, the **Islanders** had a great outing event at the **Santa Anita Raceway**. We had a fun group of 17 and Connie and I learned a bit of “horse” racing lingo, however, Connie prefers “voting” on the horses than “betting”! Thanks again Francene for putting this event together. Francene is doing a fantastic job this year with much more in store for the remainder of the year.

Don’t forget the **Islanders’ annual fashion show is on this year for May 22**. This is a Saturday night and again the Beef Eaters have agreed to prepare the dinner for us. The fashion show is always entertaining and you never know what to expect, other than great fashions and fun. This event is a fundraiser for the Islanders and we hope to have a great turn out again this year. Please sign up in the reservation book in the bar, or call Reception at the Club, or Francene at 984-2505 to make your reservations.

Happy Mother’s Day to all you beautiful mothers. There’s only one pretty child in the world, and every mother has it!!!

Your First Mate Daphne

Islanders at the Santa Anita Raceway

I hope this article finds everyone well and having a good season. I apologize for not placing a article last month, I think the month got away from me.

I have heard people ask about CPR and who knows it at the club. I am sure there are several of you that do know it or did at one time. I think in a emergency you could come up with enough to get you by. I want to answer some questions for you that might help you feel better about needing to actually follow through on CPR if needed.

Chest compressions are estimated to do about 20-30% of the efficiency of a normal heart. The ratio of 2-person CPR is still 30:2 and I know there is a lot of talk around just doing chest compressions without breaths but as of now that is not the standard. When you breathe into another persons lungs you are exhaling 16% oxygen which is less than the normal 21% but close. How do you know that your chest compressions are working? Well remember it is better to perform imperfectly than not at all.

People wonder if they can kill a person in cardiac arrest. Well they are already clinically dead, CPR can only help. Ribs are frequently broken with the pressure of CPR and some studies quote up to 30% of the time. This happens frequently in older victims since the cartilage is less compliant and the bones more easily crack able. Again remember it is better to have cracked ribs than to be dead. I would rather not tell you the % of people that make it with CPR because it is certainly not a desirable rate of survival, but if you have an AED device like we do it increases by to 30%. If you wonder if you can get aids from doing CPR the answer is NO there are not documented cases. The good Samaritan law protects you in a medical emergency just ask Tom Warden. You should stop CPR only when help arrives or the person starts moving, has a heart rate, or is breathing. If they are breathing they have a heart rate. If you are alone and do not know CPR call 911 and ask the emergency dispatcher to give you instructions over the phone. Now on to signs and symptoms of a possible heart attack.

1. Persistent chest pain or discomfort: victim may have persistent pressure squeezing, or crushing type pain in the chest that is not relieved by resting changing positions, or medication. Pain may spread to jaw, neck, or arms.

2. Difficulty breathing: Victim may feel short of breath or is breathing faster than normal.

3. Abnormal skin appearance: Victim's skin may be pale, ashen (gray) or bluish in color. Victim's skin may also feel cool and moist.

4. Dizziness, light-headedness, or fainting.

5. Nausea and/or vomiting.

6. Not all of these signals occur in every heart attack. If you are with someone having "signals", expect denial.

7. Insist on calling 911

Remember the best thing you can do is stay calm. Remember your ABC's (airway, breathe, circulate) and if you do not or have not taken a CPR class it is good to know and you can call the American Heart Association for the classes nearest to you. I hope some of this helps you to think and also remember what to do and I will work on getting a picture to go next to the AED that helps do the step by step instructions of CPR with pictures. Have a great rest of your month and keep smiling!

Your fleet surgeon,
Karen Berlin

 scheduling and rates.
 Help us help the Club
 to be Prosperous!

Anglers' Corner

By Frank Sullivan

Well, WSB season is rapidly approaching, and it is time for me to be my usual pain in the butt on the subject of WSB etiquette. We all know (I hope) the Sportfishing regulations; 1 WSB of 28 in. or larger during the main spawning period from March 15 to June 15 (commercial fishermen cannot take WSB during this spawn period). Catch and release is "legal" prior to "take" (kill) of the 1 WSB limit. No targeting of or catch and release of WSB after the 1 fish limit, but hand off to another angler is legal under the "boat limit" of one per angler aboard, but once the boat limit is met, NO MORE TARGETING OF WSB. Before and after March 15 to June 15, the legal limit is 3 per angler;

Over the years the inherent physical weakness of this wonderful, recovering fish has been discussed to death, with the final word coming from those who know best: the research staff at Hubs Sea World WSB hatchery, who work with and observe these fish daily: "WSB DO NOT RELEASE WELL – tears in swim bladder if brought up from below 60 ft (40 ft. is probable), and bladder tears will result if they dive to those depths during the fight, even if hooked near surface". Even touching these fish can cause irreparable damage (hatchery folk say their handprint burn is visible on WSB skin just a day or so after handling and these fish eventually die). If you grab them by the jaw bone to extract the hook, it breaks easily. Don't be fooled by the size they attain – they are delicate. And the bigger they are, the less likely they are to survive a release. The fish are spent, bloated, and that's what makes them the easiest fish to gaff solo.

I have often heard anglers describe WSB as a fast growing species, and mention them in the company of bluefin tuna, yellowtail, and dorado. While it is true that they are RELATIVELY fast growing fish compared to rockfish, halibut or calico bass, their LONGEVITY is much greater than other fast growing fish. Therefore big female breeders are important to the growth, abundance, and survival of the species.

Coming events:

In harbor fishing tournament changed to May 23rd

"Big Fish of the Month"
\$50 prize
is awarded at the end of every month...however, you can only win once per year. Legal fin fish only and no sharks.

"Big Fish of the Year"
At the end of the year there will be a Big Fish of the Year award for \$100.00; it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

The 5th Annual Channel Islands Harbor
Safe Boating Expo
Saturday, May 22, 2010, 9:00 am to 4:00 pm
US Coast Guard Station
4201 S. Victoria Avenue. (South of Channel Islands Harbor Blvd.), Oxnard

Reserve Your Spot for a FREE Coast Guard Boat Ride

During the 5th Annual Safe Boating Expo at Channel Islands Harbor on **May 22, 2010**, public tours and offshore rides will be available on the 87' US Coast Guard Cutter *Blacktip* and a 41' utility boat. These multi-mission patrol boats conduct critical Homeland Security Operations, Search and Rescue, and Fisheries and Maritime Law Enforcement. Passengers under 18 years of age must be accompanied by a parent or guardian. Space is limited. Guarantee your space by reserving your spot by **May 18, 2010** (*see back of flyer for reservation form).

Join us for a day of exciting Safe Boating Expo events:

- * **Offshore Air, Sea, & Fire Rescue Demos 11:00 am & 2:00 pm:** Ventura County Sheriff's Rescue, Ventura and Channel Islands Harbor Patrol, Ventura County Fire Department, Oxnard Fire and Police Rescue, U.S. Coast Guard Helicopter and Gold Coast Ambulance.
- * **Safety Demonstrations 9:00 am to 4:00 pm:** Fire Extinguisher, Flares, Life Jackets, First Aid, Kayaking, Life Raft Deployment and many more.
- * **Agency Booths and Displays:** Ventura County Fire Department, Ventura Sheriff Rescue, Channel Islands National Marine Sanctuary, National Weather Service, Channel Islands National Park, Red Cross, Coast Guard Auxiliary, Power Squadron, Channel Islands Harbor Patrol, Sea Scouts and Vessel Assist
- * **Food and beverages will be sponsored by the Pacific Corinthian Youth Foundation.**

CIYC Bridge

Our new bridge group has grown to 12 players, and 5 substitutes. We have met three times, and it looks like we will be able to keep the group going for a long time.

The purpose of the group is to interest members in playing bridge, and having a good time. We would like to encourage anyone interested in Bridge to call Carter Gage at 815-3733, or Kitty brown at 985-2355.

Bridge is a somewhat complicated game, but very rewarding for anyone who has the patients to go through the learning process. We will start beginning classes if we can find four or more persons who wish to learn this great game. Call Carter or Kitty if you wish to join our merry group.
