Message From The Commodore Larry Golkin

The noun, “August” is simply the month that follows July and precedes September. The adjective,

“august”, however, has more impressive meaning: grand or lordly, revered and venerable, majestic and awe inspiring. I believe Channel Islands Yacht Club is truly august. Her reputation as a solid, robust, creative, talented, and active club is widely known. I have had the privilege to visit many yacht clubs this year and am always proud to tell folks where I come from.

I love telling other Commodores about how far we have come as a business. They all seem impressed. Maybe they are just bluffing, but I don’t think so; not as they buy me a drink and pay \$7.50 for the same drink I pay \$4.00 for at home using my club card credit on a new system that actually tracks my transactions; nor when I sit down for a marvelous meal prepared by a fellow club member as opposed to some hired chef; nor when I tell them about a dinghy party where close to 70 club members attended; nor when I tell them about our Membership Appreciation Days, nor when I tell them that we have general membership meetings that people actually attend; nor when I tell them that the Board of Directors work well together; nor when I tell them we have champion sailors and run races smoothly according to the rules and that our Race Committee doesn’t have to cheat to produce winners for our club; nor when I tell them so many other things about our fine organization, especially the creativity and ingenuity of our members and their profound dedication and devotion to a meaningful, self-help cause.

Channel Islands Yacht Club also happens to have the best view from anywhere in the Channel Islands Harbor; three deck levels to appreciate it from - and a newly decorated interior. But what impresses me most is the people who enjoy it. I have often said that what makes us different from so many other clubs is that, we are not ostentatious and unreal - we are down to earth and unbelievable. Our membership is very diverse and is made up of people from all walks of life; from childhood education to military intervention; from professionals to tradesmen. Our membership has it all. We have folks from so many nationalities and creeds. Our members have such diverse interests that it is no wonder we can exist for 49 years and still come up with creative and innovative ways to entertain ourselves. Yet, with all this diversity, it is inevitable that we will also have differences; differences in taste, in likes and dislikes, ideas, politics, entertainment, wherewithal, and just about everything else that makes us a society. And, with such differences, it is inescapable that not everyone will agree on everything.

What will make us a superior success, or august, if you will, for the next 50 years, however, is our willingness to understand; to engage in discussion or argument without personal animus; our aspiration to sacrifice our personal views from time to time for the benefit of the whole club. This is not just what makes us a better club. It is what makes us better people.

What truly tears us down, however, is when we lose sight of our integrity and allow selfish self-centeredness to impair our vision of what makes us the premier yacht club on the Central Coast. Many of us have “been there – done that” for many years. And sometimes, many of us close our fine minds to new ideas and to change. I wrote last year at this time that,

“In nature, monotony and homogeneity are the markers of extinction soon coming. The rules of survival and evolution dictate that we must diversify and adapt at the same time; to flow with the endemic tide, and to swim out of it when the opportunity presents itself. This requires that we adapt to, improvise with, and overcome change. The first thing that has to change, however, is our outlook.” (August 2008, Currents)

It is with great pain that I hear stories of club members with different, energetic and new ideas or new ways of doing things getting criticized to the point of tears and quitting. What is worse is when this goes on behind the back in cliques. This harkens of the 4th grade and will ultimately spell disaster. New members have left us, and more will soon follow. In one instance I was told that CIYC is not the friendly place they were told it was. Our club will revert to what it was just a short time ago – a hostile place where it was difficult, if not impossible to breathe. Is that what you want? Is this what you consider “fun”?

We must all try to be more august; let us work together to help our club reach its fullest potential. We must put aside petty differences and engage in real discussion without taking offense at every new idea that comes along. Let us exercise tolerance and communicate with one another on every human level. If we have an issue, we must discuss it face to face with courtesy and civility; out in the open; and knock off the back-stabbing. It's ugly and unbecoming, and beneath the dignity of people who can otherwise afford to be members of a yacht club. CIYC is not an elementary school playground.

When I became your Commodore, my goals were simple – bring financial stability and accountability in a professional and businesslike manner; engage the membership in ways that are fun and exciting by encouraging and supporting anyone with a great idea without micromanagement; to inspire folks to live and enjoy life at CIYC, our home away from home, in a free and easygoing way; and to make CIYC a place where folks could come to breathe. I believe we have achieved all of these goals, but the last one seems to be slipping a little.

CIYC is “our” house, not “your” house. All of us are “members” (yes, even those who serve on the Bridge and Board), and all of us deserve the decency and respect afforded all our members, not only in our By Laws and House Rules, but in life. If you don't like something, there is a mechanism to change it – it's called elections. Step up to the plate and run for office, or volunteer your time to help, if you think you can do better. Stay home with your bad attitude, and come back when you are ready to have fun. A bad attitude is like smog – it poisons the air and makes it difficult for everyone to breathe.

Ok, enough of that. August holds many opportunities to be together and to enjoy the twilight of summer. If you have been following it, then you know that El Jeffe del Bocce Ball, Paul Hatcher has, in his own inimical fashion, turned our Bocce Ball activity into much more than an afternoon on the lawn. Our social committee has some awe inspiring evenings planned. We have water activities galore as the annual cruise to Coches Prietos (the best cruise of the year) is August 7-9. We have British Brass and we have Beefeaters. We have Islanders fun, movies, and Monday Night Football. And we have those luscious Sunday afternoons when we can come to the club, grab a drink, and sit on the roof enjoying the waning afternoon sun. Is CIYC not the best place to be? I love it there and I hope you will (can), too. Let's all enjoy our time while we have it. Life is short. Don't sweat the small stuff. Breathe a little.

Commodore Larry

Recently Channel Islands Yacht Club hosted several special events at our club.

I would like to thank the **Bar Staff** for a job well done which was above and beyond the call of duty. Not only did **Linda and Cecily** handle the bar they also jumped in and helped clean up. They were the total support for me and stayed until we got it all done. I would also like to give a special thank you to our member **Cary Verstynen**. Cary was right there and would not leave Linda, Cecily and myself there alone. What a great help to us. The never ending support of our members to jump in and help when needed.

Every member can take pride in belonging to **CIYC** because we are a team.

Message From The Rear Commodore Georgie Olsen

Dear Members,

I'm afraid I was by my lonesome on **July's Ship Shape Saturday**—this is a busy time for everyone to say the least and maybe it will be a different story in **August**. I hope so! **Circle your calendars for August 15** and if we all showed up at 9 a.m. for even one hour, we would get so much done for our Club! Ship Shape is not hard but necessary to keep our **"self-help" Club functioning and looking great!** Join me on Saturday, August 15 at 9 a.m. Maybe if someone would like to get a phone tree going, that might get a good response. Let me know your ideas. Thanks so much! We must keep our Club beautiful after all our remodeling!

Thanks all around to everyone for the beautiful **4th of July** put on by **Sylvia Hyde and her crew**. It was really a patriotic evening with great fireworks! We have the best seat in the Harbor for this event! Also a big thanks to all the cooks who have helped out on Saturdays and Wednesdays. This is a very big job and so appreciated by everyone. The meals are terrific and cooked with such loving care! Thanks gang!

A very special thanks also to the **Beefeaters** as they take on one Saturday every month and outdid themselves with their **Santa Ynez Style BBQ on July 25**. Thanks to **Crew Boss Skip Harkson and his crew: Carter Gage, Ted Hetherington, Clark Owens, Jack Borkowski, Jim Carlson and Ken Thomas**.

The **August Beefeaters Dinner** will be headed by **Tom Newhard on Saturday, August 29** with special guests, the **new Coast Guard Channel Islands Commander and his XO and wives**. Come help us greet our guests in the finest CIYC tradition and give them our thanks for all the important work they do in our Harbor!

Respectfully,

Your Rear-Commodore, Georgie

Dear Islander Ladies,

How many times have I said that time is flying? But it is and this job has been a joy because of all of you!

We have a wonderful board and committee members who are there at every turn, helping and laughing and just simply enjoying our Club.

The **July luncheon** was wonderful as we had a great salad and dessert put on by **Evelina** and her wonderful crew **Sharon Deyling** and **Sandy Crockett**. Great job ladies!

August will bring lots more fun. We have an Islander board meeting on August 6th, a **wonderful luncheon on August 20**, and a great **Fashion Show planned for August 29th** put on by The Bargain Box in Ventura and dinner prepared by The Beefeaters. **The Bargain Box** is an amazing second-time-around store sponsored by the Assistance League of Ventura County. You will want to buy the clothes off the models if they don't buy them first!!!

Please put these dates on your calendar so you can make the necessary sign- ups in the book, e-mail or phone. These are fundraisers for the Islanders so come out in force so we can make lots of money that we donate to our Club for special projects. We have been sOOOO successful in the past and are continuing a great tradition of our ladies coming thru!

Also at the **August luncheon**, we will be choosing a nominating committee so come and volunteer if you would like to serve. We would love to have you! AND, if you know of anyone who would like to serve on the Islanders Board, please contact me. Thanks so much!

Respectfully,
Your First Mate, Georgie

Hello,

Happy summer boating. David and I have been out to **Santa Cruz** a couple of times so far this season. We had a good time and great weather both trips.

Some suggestions for you boaters. There are a lot of **bees** at Pelican Harbor so I recommend using **Citronella Candles** to help ward them away. When hiking, It is a good idea to wear long pants and long sleeve shirts. I was bitten by a bee when hiking in shorts.

Keep your first aid kits up to date. Items that have been used should be replaced as well as expired items.

Know how to contact the Coast Guard in an emergency. VHF Channel 16 is used for distress calls while channel 9 is used for contacting other boats.

See you on the water. **Have a safe and healthy summer.**

Your Fleet Surgeon,
Patricia Andersen RN CNOR

The 1st CIYC Men vs. Ladies fishing tourney is over My boat *Valkyrie* had a mechanical break down on the way out, Jerry and Mary Barker got skunked even though they did well earlier in the month. Skip Miser's crew on the *Dawn Patrol* got all the prizes, 1st place Leonora Linman 32.6 lb Yellow Tail, 2nd Debbie Tyhurst 7.2 lb White Sea bass and Connie Calo 7.2 lb White Sea bass . Yes the Ladies Won!

The fishing season is in full swing the water temperatures on the back side of the Islands are already in the 70's. The season is shaping up to be a good one with, large White Sea bass and Halibut in the catch reports. There is a great likelihood that this will turn out to be an El Niño (warm water year), according to NOAA. This will bring exotics like Marlin, Dorado and Yellow Fin Tuna to our neighborhood. In the meantime there have been Albacore Tuna caught at the Rodriguez Seamount and the possibility of them moving into the 311 fathom spot. Both are close enough for local boats.

Mary Barker so far has the lead in the big fish of the month for July with this 7lb 7oz Halibut caught at Anacapa Island 7-21-09

. Did you catch a bigger fish? Did you report it and weigh it in at the club?

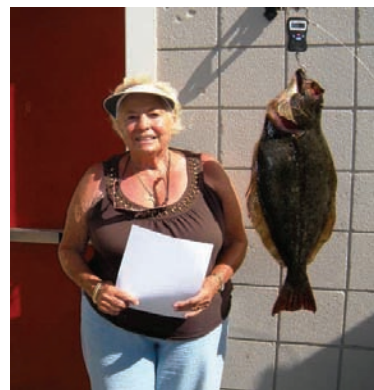

"Big Fish of the Month"

\$50 prize

is awarded at the end of every month...however; you can only win once per year. Legal fin fish only and no sharks.

"Big Fish of the Year"

At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

Upcoming events:

September 11th - kickoff dinner for the Channel Islands Billfish Tournament.

September 12th through 16th - the Channel Islands Billfish Tournament.

September 18th - the Channel Islands Billfish Tournament Awards dinner.

As I Remember----Competitive Sailing

Historian

CIYC competitive sailing has distinguished itself over many years and has been directed by several knowledgeable and dedicated CIYC members, and continues to be very active and successful in 2009, with a group of great members showing how competitive sailing is accomplished.

The early 1980's seemed to set the pace for years to come by identifying and organizing the various components required in setting up a successful Competitive Sailing Racing program. There is far more effort required to facilitate a racing program than that effort that is actually accomplished during sailing events on the water. A Race Committee has to be organized in order to provide planning, training, publicity, mailing, e-mail, phone, as well as being friendly hosts for visiting sailors; these are only some of the efforts involved in conducting a successful racing program.

Prior to becoming Commodore in 1985, Past Commodore Chris McPherson was very instrumental in defining the early 1980s efforts required in the establishment of the fundamental steps resulting in a balanced competitive sailing program for CIYC.

Competitive sailboat racing is actually a coordinated effort with sailboats and powerboats combined to support a sailing event. Powerboats support the Racing Committee by serving as the Starting Boat, setting buoys defining course parameters and alternate turning points as may be required during a race. Specific races may require buoys to be re located or additional added during a race, as well as other support as needed. CIYC has always cooperated with many other local Yacht Clubs as AYC, BPYC, PCYC, VYC, and other Yacht Clubs. Competition in these efforts speaks well for CIYC and sailing actives in general.

Note-- Chris McPherson was in the clubhouse preparing for a race for the following day when a young couple knocked on the door and told Chris, "We just sailed in from Japan and would like to exchange Burgees with your Yacht Club". For the following days race these folks were invited to crew on Andy Nutters OBSESSION, I believe this boat finished in first place. I think the visiting sailors were impressed with CIYC's hospitality.

Competitive sailing is a well organized event and should be supported and enjoyed by as many CIYC members as possible, as it's a lot of fun.

From the Dinghy Parties Chairmen:

We want to thank all the people who helped put the dinghy party together on **June 28, 2009** at the yacht club for all their efforts and ESPECIALLY to **Tim Haapanen** who really stepped to the plate and took over all the barbecuing of the tri-tip and chicken. A big thanks to **Mary Foster, Sherry Brisbane, Pat Korecky and her sister Rosemeri and Sean Fitzpatrick**. I hope everyone had a good time and enjoyed the Monkeys band that were asked to stay late to entertain everyone!

The third and **final Dinghy Party** will be on **August 23, 2009** at **Carter and Virginia Gage's** lovely home on the water at **4005 Nice Court, Oxnard, CA**. Details of this party will be announced later.

See you on the water,

CIYC BOCCCE 2009 Calender

Preseason	Thursday,21 May 2009 Thursday,28 May 2009 Thursday, 4 June 2009 Thursday,11 June 2009	
-----------	--	--

	Bocce 2009 Calendar	
<i>Official Season</i>	<i>Thursday,6 August 2009</i> <i>Thursday,13 August 2009</i> <i>Thursday,20 August 2009</i> <i>Thursday,27 August 2009</i> <i>Thursday,3 September 2009</i> <i>Thursday,10 September 2009</i> <i>Teusday,22 September 2009</i>	<i>All star games,</i> <i>Season Play Offs</i>

Of course, the calendar is preliminary at this point. And the rules and the protocol are still being formulated. At this point, I plan to run a singles and a doubles League (the American and the UN American) during the season. Within the Doubles league, I planned to have multiple divisions (a women's division, a men's division, a couples division, a don't ask don't tell division, And perhaps an old timers division (open only to those teams that played during the 2008 Season). For the Doubles League, Standings will be based on scoring, like what was used last year, like what I will tell you about next year. But the point is while no shows will be given the high scores for that night, all teams will be able to throw out three nights of scoring, so everybody has a chance for a bad hair day or a vacation or something.

Meanwhile back at the ranch, time is getting short so I must get down to my briefs. For the preseason, It will mostly be four play. Foreplay, not for profit. Just a lot of fun, a time for seasoning, training, trash talk, grammar exercises, verb theory, parser precedence ambiguities, semantic stimulants, adverb analogs, heuristic pruning, strengthening, stamina, and niacin too. I will start at 6:00 PDT. And go til there are no survivors, or Night falls silent in the harbor. I encourage all 2008 teams to play only one game a night as a pair. Otherwise, split up and play against each other. I will endeavor to assist all newcomers into the play and get the maximum play from all. During the Preseason, I will run a sign up board. And assign all game play from 6:30 to 7:30 (known as prime time) but will bend over backwards trying to satisfy everybody's wishes.

I also want to announce that, subject to the CIYC boards Acceptance of the Deed of Gift, I will donate to the club

The El Pinche Cup & The El Jefe Mug

Of course, I got the cup while playing football(oh my dear PU) and the Mug has my picture on it, but they shall be kept at the club and be used to signify Supremacy in Bocce Ball. For the 2009 season:

During the preseason, the team(s) that have the largest winning point spread during a single game, shall have all the draft drinks they can drink from, and exclusive toasting/roasting rights with the cup and mug during the succeeding week.

During the Official Season, the team(s) that lowest accumulated point score for the official season(no throw outs) shall have all the draft drinks they can drink from, and exclusive toasting/roasting rights with the cup and mug during the succeeding week.

During the Off-Season, the winning team of the CIYC Bocce Ball Doubles league shall have the right to one draft drink from the Cup and one from Mug , and exclusive toasting/roasting rights during each succeeding week of the Off Season(aka the Post season); (officially defined as 1 October2009 through 31 march 2010.)

This is number one and I am having lots of fun. Do you see why I sea? See you Thursday. JeFe.
