Variety Show  
April 7<sup>th</sup> & 8<sup>th</sup>

## Message From The Commodore Sheldon Berger

Opening Day ceremonies were a patriotic blast, with historic decorations, delicious food and top-notch music. Thank you to the Channel Islanders and First Mate Karen Farrell. Her team prepared the most delicious variety of food and spent days on the preparations. Thanks to Deborah Tyhurst and the McKendrys for the decorations at the Club. Their crew did us proud; the Clubhouse was the fun place to be. Ruth Hatcher and Vidar Bech did a great job on the behind the scenes details. And lastly, thanks to our own CIYC Band. We are lucky to have such an array of talented members that go all out for our Club and guests.

Our Boat Parade on Sunday morning went off without a hitch. Thank you, Tom Webb and Tom Warden, for the outstanding coordination of the parade. Dewayne Weaver, George O'Neill, Zoran Barbaric and Frank Laza represented our Club with boat entries.

Shortly after Opening Day ceremonies, Barbara Brauns produced our annual variety show, "Viva Las Vegas". So here we shine again with our talented members performing in acts worthy of a Vegas midnight show: two sold-out nights, dinner and music. Larry Stein and his CIYC band left no doubt that we were not going to be disappointed with all of the performers. Thanks to all who helped.

On March 26<sup>th</sup>, we held our first Open House Membership drive for the year. It was a non-stop afternoon. Donna McKendry spear headed the drive and we had a huge turnout. Food was prepared by Linda Weisfuss and our members set up displays showcasing our different venues at our Club. We signed up 15 new members and now we need to get them involved! Be sure to welcome our new members and make them feel the love of CIYC.

One thing that I always enjoy when I'm at the Club is visiting with our members. There is so much history in our organization and past experiences at our harbor. I had the opportunity to visit with Dennis & Debi Howarth one evening at the Club and catch up on some of our mutual friends and those that we lost. We had so many great experiences over the years. I was raised in the S.F. Valley but I really think of myself as an Oxnard native. Take the time to visit with friends and make new friends at our Club. You will leave with a good feeling and have lasting relationships.

Until next month....

Sheldon Berger, Commodore

Opening Day  
April 2<sup>nd</sup>

## Message From The Vice-Commodore Bob Taylor

**Happy Spring to all,**

To bring you all up to date: Our last Open House was probably the most successful Open House in CIYC history. Thanks to Donna McKendry, who hosted the networking website “Meet Me”, we had close to 40 guests who attended the Open House. I also want to thank all the members who joined us for support and Linda Weisfuss for creating the tempting appetizers. By the end of the afternoon we had gained 15 new members. A great day!

Soon after the Open House came Opening Day Ceremonies. Commodores Shelly Berger, Bob Taylor, John Medlen with their wives attended Opening Day Ceremonies at Ventura Yacht Club, Pacific Corinthian Yacht Club, Anacapa Yacht Club, and our own Opening Day. The CIYC decorations and food were most impressive. Thanks to Deborah Tyhusrt for her creative talent and hard work. Mike McKendry and Donna McKendry built the impressive wall decorations; and of course, Karen Farrell and the Islanders, who created and delivered the most impressive and delicious food display of any yacht club.

What a Variety Show!!! The CIYC Band was outstanding. The cast was superb. Thanks to Director Barbara Brauns for her talent and production of a great show that was enjoyed by all. Thanks to Jack Borkowski and his crew for their behind the scenes work. The show was sold out both evenings, and the taco dinner hit the spot.

Let's look at May. Wednesday Night Dinners will start with a Cinco de Mayo Dinner on Wednesday May 3<sup>rd</sup>. Also in May will be dinners by Bob Ridenour, Carmen Olmo, Shelly and Nancy Berger, and Carter Gage. In the middle of May will be our Mother's Day Luncheon on Sunday, May 14<sup>th</sup>. It will be prepared and served by your Board of Directors. Also in May, you need to make reservations for the Anglers Dinner on Saturday, May 20<sup>th</sup>. And, yes, Bocce Ball starts on Thursday, May 18<sup>th</sup>. The month ends with an Epicurean Dinner on Friday, May 26<sup>th</sup>, and a Memorial Day Celebration by the Holiday Supper Club will be on Monday, May 29<sup>th</sup>. Join us for another fun month!

**Bob Taylor, Vice Commodore**

## Message From The Rear-Commodore John Medlen

Well, Spring is here everyone and we are hoping for continued great weather and seas worthy of boating. A lot to report; so, let's get started.

First, after re-continuing the Mid-Winters race due to weather, the race finally was held March 19<sup>th</sup>; however, the winds could have been a whole lot better. They wanted to conduct additional races, but with barely any wind to help, this was not something they could accomplish. The winner in his class, however, was our own Shelly Johnson. So, if you see him around the Club, say congratulations". I want to thank, as always, Bill Brayton and Jane Thomas for their continued help in the racing program. I also want to thank my wife, Lisa Marie Medlen, for helping me to cook some great lasagna, salad and bread.

Next, we had our first electric boat event which was a blast. For those of you who missed it, you really don't want to miss these events as they are a lot of fun. We had a great turnout with over 5 boats full on each boat. I want to thank Frank Laza for putting on this event and for allowing us on his awesome electric boat.

We had a great Opening Day ceremony at the Club as all of you know. Personally, I would like to thank Dewayne and Toni Weaver for allowing the Commodores to utilize their boat, ***Hakuna Mata-ta***, for the parade. I also want to thank the hard work of all my assistants including, but not limited to, Bill Cline and Tom Webb, for making my job extremely easy on Opening Day. The food was awesome, the band was awesome (if I may say so myself), the ceremony was short and sweet, and my fellow Commodores put on a great day for all of us.

As for upcoming races, the ASBCY calendar shows a number of events in May; if you are interested in them please contact me. Let's not forget that two major June events are being held: June 10 is the Port Royale/Wild Bill Rig Race and June 25, we have the Disabled Veterans Day event.

**See you around the Club!**

**John Medlen**

## **DO YOU KNOW Mike and Karen Farrell**

Both born in Minneapolis...many years ago! But finally made the break to sunny SoCal late 1996.

Mike graduated from the University of Minnesota with a degree in Electrical Engineering (1970) and Minnesota State University at Mankato with an MBA. In 1965, a family friend offered Mike a job as a computer programmer. That started a career that has lasted 52 years! Meanwhile, Karen, a keypunch operator, was also working at Super Valu! They met in August 1971 at a work party. After a 6 month 'courtship' Karen and Mike were married on February 26, 1972 at the Little Brown Church in the Vale in northern Iowa. Their oldest daughter, Lisa, Karen's from a previous marriage was adopted by Mike and they went on to have 2 more kids – Wendy 1973 and Mark 1977.

The Farrells had a plethora of houses including 5 in the first 25 years of marriage. They were all on or around a large lake in a Minneapolis suburb and boating became a big part of their summer life. Along with the houses, there was a LOT of remodeling and, eventually in 1984, Karen got a degree in Interior Design. While continuing to remodel their homes, she had her own business for a few years doing residential design. After a couple of contract jobs she settled in as a Design and Construction Project Manager for American Express Financial Advisors, managing projects on the western third of the US.

In Minnesota, Mike worked for 19 years at General Mills. However, in 1995, two events occurred. Mark graduated from high school and Mike's father, the last of their parents, passed away. That left Mike and Karen footloose and fancy free. Although they recognized that Minnesota had been a great place to grow up and raise a family, they never cared for the brutal winters and decided to plan an escape! In late 1996, Karen's job with American Express afforded them the opportunity to move to Huntington Beach. Mike followed a few months later accepting a position of Chief Information Officer with 20<sup>th</sup> Century Insurance in Woodland Hills. Both Wendy and Mark followed them to California later that year.

In 1998, Karen RETIRED! and they moved to Westlake Village North Ranch area and golf became the focus that replaced many years of boating. And, of course, they remodeled yet another house. In mid-2003, Mike went to work for Capital One in Plano, TX and they moved to a home on a beautiful golf course in Frisco, TX. You guessed it, another remodel. About the same time, Wendy brought them their first grandchild, a beautiful granddaughter, Hailey and they moved to Texas.

Neither Mike nor Karen liked Texas so, in 2006, they bought a townhome in Huntington Beach to escape the brutal summer heat. In 2008, they moved back to CA and into their HB home. And, Yup, Wendy and Hailey followed them back to California.

Meanwhile, Mark met the love of his life, an HB girl, Shawnee. In 2007, they were married and had a son, Evan. A second child, Jocelyn was born 8/2014. Mark and Shawnee are expecting a third child in July. Meanwhile, back in Minnesota, Lisa (the stable one!) carved out a very successful 25-year career as a senior executive with Best Buy. Wendy, Mark and their families moved back home to Minnesota in 2016 to join Lisa in the snow.

In January 2010, Mike accepted a position with AGIA, Inc., in **Carpentaria** where he has worked for the last 7+ years. They bought a home in Seabridge/Channel Islands harbor in Oxnard. Mike and Karen joined CIYC 9/2010 and, for the most part, that has consumed their lives ever since. Karen has been very active cooking, serving as the Epicurean WIC in 2015 and 2016 and the Islander 1<sup>st</sup> Mate in 2016 and 2017. Mike is a Beefeater, has helped with the Parade of Lights boats each year, and is on the CIYC Board as a Director and member of the Finance Committee. Aside from CIYC, they enjoy travel and have taken recent trips to Italy and Ireland and cruises in the Mediterranean and Caribbean. Mike enjoys reading, Karen is a wonderful cook and they can often be found on a golf course.

So, when you are at the Club be sure to say HELLO to Mike and Karen,.....and stay tuned for the next **DO YOU KNOW?**

Keith & Mary Ann Moore

## Message From First Mate Karen Farrell

### Hello Channel Islanders and CIYC Members!

WHEW!! Time for a little breather after Opening Day followed by the 2-night Variety Show! Both very successful events – WOW, until next year!

March 23<sup>rd</sup> was the Islanders 52<sup>nd</sup> Anniversary dinner and we had great attendance. Thanks to all who helped us celebrate!! Of course, the highlight was Commodore Berger's very colorful life story that kept us in stitches!! Thank you Shelly!! I also want to thank Joyce Sheridan and her cooking crew for putting on a wonderful dinner: Vera Cline, Elyse Gonnello, Michelle Dilldine, Linda McCulley and Dianne Merrill – great job and thanks to all.

March 26<sup>th</sup>, CIYC held a very successful Open House bringing in 13 +/- new memberships. Laurie Preston did an excellent job preparing a presentation storyboard to display for the Islanders. Thank you, Laurie. I was there to represent the Islanders and had the pleasure of talking to many of the attendees about the Islanders organization. It was an exciting day!

April 2<sup>nd</sup> – Opening Day....WOW! What a successful event. People stayed longer than past years and really seemed to enjoy themselves. Why not... the band was great. This wouldn't have happened if it weren't for all the donations the Islanders received for this event – with gratitude and appreciation, THANK YOU! In addition, I want to thank the many people that helped make the day so spectacular.

Decorations: Main dining room, landing, stairway, etc. - Deborah Tyhurst, Donna & Mike McKendry and helpers Dewayne & Toni Weaver, Harry Krum, Mike Farrell, Rick Tyhurst, Dianne Merrill, Jane Thomas, Sherie Ireland, Josie Renner, Pat Korecky, Gary Johnson, Connie Calo, Bob & Mary Lou Taylor, Dan Ward, Rita deCaussin and Ginny Matthews. Joyce Sheridan and Barbara Brauns along with helpers Nancy Berger, Diane Miner, and Laurie Preston transformed our bar into a 'Sports Bar' in honor of Commodore Berger's love of the Dodgers!! Sharon Sullivan, Mary Ann Moore and Erica Barbaric decorated the fireplace room in honor of the military and there was special dedication to our CIYC Veterans to give the room extra special meaning.

Food: Karen Farrell and Vera Cline led the 3-day cooking crew(s) – Thank you to Tim Smith for preparing pulled pork for the sliders and Carole Naylor for her famous deviled eggs. Thank you to Michelle Dilldine, Eleanor Hovaten, Elyse Gonnello, Joyce Sheridan, Dianne Merrill, Josie Renner, Pat Korecky, and **new CIYC members Pam DeSimone and Bonnie Aharoni** who all worked so hard for many hours in the kitchen! The fantastic food plating was led by Deborah Tyhurst, #1 helper, Donna McKendry, also, Diane Miner, Ginny Johnson and Sue Wolf – thanks to all.

2<sup>nd</sup> Mate, Eleanor Hovaten, has changed the date for our next excursion set for April 29<sup>th</sup>, 2 p.m. It will now be **May 6<sup>th</sup>**, same time. It is at the Rubicon Theater in Ventura and the play is "Sylvia". I'm sure you have seen the email with all the details for signing up. If not, please call me.

I want to thank and welcome Vera Cline who has agreed to be the Islanders Fund Raiser Chair. She already has events in the works. Stay tuned for the dates.

Our next events are Fathers Day dinner 6/17; Pancake Breakfast 7/23; and our next Regular Meeting/Social July 29<sup>th</sup>. If you are interested in helping with any of these events, please let me know by email, [karenfar@ymail.com](mailto:karenfar@ymail.com) or phone 805-512-7795.

**See you at the Club!!**

**Karen Farrell**  
**1<sup>st</sup> Mate 2017**

Opening Day  
April 2<sup>nd</sup>

## Anglers' Corner - February 2017

*By Frank Sullivan*

### **Fishing Report:**

Yellow Tail, White Seabass, and Halibut fishing is picking up. Spring congregates the fish for the spawn. Halibut are moving into the shallows and White Seabass are in the kelp forests or working around the Squid beds picking up the spawned-out Squid. All in all, an anglers delight. The Commercial Sportfishing Passenger fleet is reporting great rock fishing, as well as some days with limits of WSB and Yellow Tail.

The annual CIYC Anglers' Lobster dinner and fund raiser is on track for May 20<sup>th</sup>. Please plan on attending. Gary and Joyce Johnson prepare an excellent meal of Maine Lobster with Clam Chowder and side dishes. This is a major event for the Anglers and helps us fund many of the maintenance programs for the WSB grow-out facility, as well as help with Club projects. If you have a new item or a gift certificate that you would like to donate for the raffle table, please let me know.

The Ladies' Fishing Tournament, originally scheduled for June 11<sup>th</sup>, has been moved to Saturday June 3<sup>th</sup>. June 11th is now the CIYC Men's fishing tournament day postponed from May 7<sup>th</sup>. Watch your emails and the Club bulletin boards for details. Any boat owners who wish to participate and/or can take on other CIYC anglers, please contact me; [frank.sullivan@roadrunner.com](mailto:frank.sullivan@roadrunner.com).

### **WSB Grow-out Pen Update:**

On April 5<sup>th</sup>, we successfully released 11,000+ White Sea Bass into the Channel Islands harbor. They will eventually make their way out to sea to grow, replenish and enhance the naturel stocks of these fine sport and food fish.

During the weeks from April 14<sup>th</sup> through the 20<sup>th</sup>, we took delivery of 15,000+ juvenile WSB for our next grow-out to be released sometime around late August or September.

### **Upcoming events:**

May 20 <sup>th</sup>	Anglers' Dinner
June 3rd	Ladies' Fishing Tournament (Saturday)
June 11th	Men's Fishing Tournament
September 8 <sup>th</sup>	Channel Islands Bill Fish Tourney Kick-off Dinner
September 9 <sup>th</sup> to 13 <sup>th</sup>	Channel Islands Bill Fish Tournament
September 15 <sup>th</sup>	Channel Islands Bill Fish Tourney Awards Dinner
November 18 <sup>th</sup>	Anglers' Awards Scampi Dinner

## **Doc Lines**

### **Flu vaccine**

Having vaccine in the morning boosts one's antibodies four times higher than if the vaccine is taken later in the day. Apparently, the immune system is more active and responsive earlier in the day. So get your vaccine in the morning. From the University of Birmingham.

### **Cancer detection blood test**

A new blood test which not only detects cancer before symptoms appear (ex: a lump, cough, blood in the urine), but also pinpoints where in the body the cancer is located. Apparently, tumors in different parts of the body carry a distinctive "footprint" which a computer can spot. This simple test is extraordinarily important, as survival rates are dramatically improved with early treatment. This still needs confirmation by expanded studies. From the UCLA School of Medicine.

### **The most common cause of cancer**

It's not what you eat, or poor genes, or lack of exercise, or too much drinking. Some 66% of all cancers are caused by random mistakes in our genetic code: a DNA copying error during a simple cell division. Call it bad luck or drawing the short straw. And there is nothing you can do about it. Another 29% are caused by unhealthy life styles, exposure to smoke or radiation, etc. Only 5% are from inherited faulty genes. From John Hopkins Kimmel Cancer Center.

### **DNA repair and living forever**

A naturally occurring signaling molecule called NAD<sup>+</sup> has a key role in protein interactions that control DNA repair within our cells. An NAD<sup>+</sup> "booster" called NMN improves cells' ability to repair DNA damage due to aging and radiation exposure. Human trials with the "booster" will begin within six months. Something to watch.

From the University of New South Wales, MetroBiotech, Inc., and MetroBiotech International. This was a NASA award winning paper.

### **Unable to Exercise?**

Take a hot bath. Passive body heating for an hour raises one's body core temperature by one degree and burns 140 calories: equivalent to half an hour's walk. Both exercise and hot baths release "heat shock proteins" which in the long term help the functioning of insulin and improve blood sugar control. They also reduce blood pressure and the risk of having heart attacks or strokes. From the University of Oregon.

Your Fleet Surgeon, Zoran

Thanks to Erika for editing.

## **County and Harbor Department Attempts to Circumvent City of Oxnard's Jurisdictional Right to Review Fisherman's Wharf Project**

On February 21, 2017, the Coastal Commission (CCC) Senior Staff Counsel in a letter to Lyn Krieger stated: "At this time your application (for a Public Works Plan Amendment "PWPA") remains incomplete..." To be determined complete, the County and Harbor Department's PWPA application must first obtain a Local Coastal Plan Amendment (LCPA) from the City of Oxnard. This was identified by the CCC staff as early as August 24, 2016, in their letter replying to the Harbor Department's PWPA application of August 17, 2016. The reason the CCC staff requires a LCPA from the City of Oxnard is that the proposed PWPA is not consistent with the City's LCP which in the Coastal Zone is required.

Though threatened with legal action by the County and developer, Channel Islands Harbor Properties LLC (CIHP), the City of Oxnard, in its November 15, 2016, letter from their City Attorney to the County and CIHP, asserted its right to require that the proposed project undergoes its established LCPA review process.

Unwilling to go through the City's review process and therefore, unable to obtain an LCPA from the City, the Harbor Department on March 21, 2017, requested an appeal through a Dispute Resolution hearing with the Coastal Commission to try and circumvent the City's jurisdiction. The date of the hearing has not been decided as of this article, but will most likely be sometime between May and August 2017.

What is surprising about this action by the County, the Harbor Department, and CIHP is that on June 14, 2016, when the County Board of Supervisors approved this project, all three above parties knew and agreed that an LCPA from the City of Oxnard was required for this project to go forward. It is noted in both Lyn Krieger's letter to the Board of Supervisors dated June 14, 2016, and in the Board Meeting and public presentation.

The residents and neighboring communities are concerned about issues that impact them, particularly straining City support services, traffic, emergency services, limited resources and the need for parks. These are issues that directly affect the City, not just Channel Islands Harbor, and the City has a responsibility to review them. The City has requested a Specific Plan from the County, Harbor Department and CIHP to ensure a clear understanding of the project's impact on its residents and surrounding community.

**The Channel Islands Harbor Needs a Transparent Public Process and a Specific Plan, not Piecemeal Planning through multiple PWP Amendments.**

**Rene Aiu, Co-Harbor Delegate**

And the curtain comes down on another outstanding CIYC Variety Show. When January and February roll around each year, I ask myself, Can we make the show happen again? It not only happens, it seems to top the previous year. So many people to thank: not only cast and crew, the behind-the-scenes people, food providers, bartenders, cocktail waitresses, bar manager, supplies of stage equipment; also YOU, the audience, who attended. The show has grown to two shows over the past two years and has sold out for each performance. What a tribute you pay to the band, singers, dancers, comedians, our MC, Larry Stein, stage crew, lighting, sound, costume, make-up, set design and the take-down crew. You, the audience, bring out the best in everyone involved. The entire show seems to rise to a new level each year. With that being said, I give my thanks to all who participated and attended, and the regulars who couldn't because of injury or other commitments.

Thank you, thank you, thank you!!!!!!

See you all next year,  
Barbara Brauns
