The past six months have flown. It is hard to believe we are half way through the year.

We have completed a tremendous project in getting the by-laws of the Channel Islands Yacht Club in line. You should have received your draft of the revised by

-laws as approved by your Board of Directors. I wish to thank the past Commodores of your club for the diligent pains taking hours they spent on gathering the data, discussions and revision after revision. The final draft is now in your

hands. Take the time to review the documents and be in attendance at the July 16th called meeting and cast your vote to get this approved and filed with the State. This meeting will be conducted in respect to the by-laws only. Time permitting we will have a general meeting at the close of the called meeting. During this meeting we will elect the nominating committee for 2010. The appointed Board members for this committee of five, are Ted Hetherington and Frank Sullivan. The regular membership will elect the additional 3 members to complete this committee. The members having served their elected terms are Connie Calo, Diane Miner and Jackie Biederman. We thank these members for an outstanding performance and sincerely hope they will consider running for another term.

Larry Golkin has resigned his position on the board to pursue his dream of cruising the inter waters. Mary Howard has graciously accepted the request to serve on the Board in Larry's place for the remainder of the year. We thank you Larry and Brenda for your dedicated service to Channel Islands Yacht Club. I envy you for being able to pursue your dream as well as being very happy for you. Larry and Brenda you will be missed. Our best wishes are with you both and please keep us informed of your journey.

We have six months of hard diligent work ahead of us.

We must get behind the membership drive and recruit new members. **Francene Thomas**, **Shelly** and **Nancy Berger**, and the leader of the team effort is **Kelly** and **Tom Warshauer**. Not only have these recruiters brought in new members they have club credit to support their efforts. This is an opportunity to get credit to spend at your club as well as introducing new members to an excellent Yacht Club that they can take pride in.

I never get tired of saying thank you to the members that give the support and dedication to make our club the best. Your **RAMS** have stood up and given the full support to the racing they support and their Vice Commodore **Georgie Olsen**.

If you have not played or been to a game of **Bocce Ball** you are missing fun, thank you to Dana Hamilton, Dan and Shelly Ward and our every ready Ruth Hatcher. We have many activities planned and there is something for everyone and we give you many options to enjoy your selves. Excellent meals are served, cruising, racing, cruiser navigation and events 6 days a week.

We will have had our first dingy brunch of the season, thank you **Sherry Brisbane**, **Pat**, **Bob**, **Sherry** and **son Sean Heatherly** for heading up this event. Thank you **Charlie** and **Dale** for the use of your beautiful home for this fun event. Watch for the next one as members offer the use of their homes.

Thank you to our TGIF horse races Joyce and Clark, Bill and Vera this team always has an excellent event.

Kim Hughes and Debra Tyhurst have brought to Channel Islands Yacht Club a taste of elegance with a special flair with <u>Vera's Baubles</u>. Many hours are spent in creating the displays and conducting the auction and planning the next event thank you.

I personally take pride in what Channel Islands Yacht Club is and stands for. I especially take pride in being a part of an outstanding Board of Directors who has the best interest of your club at heart. When you see them in and around the club take the time to say thank you and give a pat on the back for a job well done.

Thank you **Carol Naylor** for an outstanding <u>roster</u> as always Carol puts this together gets the pictures and than gets it printed, packaged and labeled. Your copy may be picked up in the downstairs lobby.

Liz Campbell who puts together the Currents you will see her here day after day. We still needs a lap-top computer to ease her work load. We thank you Ed Calo for your tireless effort in keeping our house in order. We thank our cooks, our bar staff and bar manager.

Think about this little piece of knowledge our table setters under the direction of **Sharon Sullivan** are here every Saturday for 52 weeks a year this will give an average of 4,160 place settings not counting the arrangements, the table cloths and napkin folding.

Our bookkeeper **Pat Madden**, we have the return of **Megan** at our front desk. Stop by say hello to these wonderful people.

Our very own **Ellie Bishop** <u>aka Baby Jane</u> for our membership data base entry, name tags and keeping files up to date as well as other numerous tasks.

Barbara Brauns thank you for handling our hospitality and open house events. Barbara is always there with a beautiful smile and a welcome to prospective members.

Roxy, our <u>Chaplin</u> always being there to comfort our members during tragic times. Roxy shares with us her special way of making us feel good.

I could go on and on. There is so much done by our members if I have not mentioned you here you are not overlooked or forgotten. Members please take the time to thank everyone. Volunteer your time to support the self help of our club you will be surprised on how much enjoyment you will receive in knowing you helped make it happen. **Again thank you everyone and never stop giving**.

Message From The Vice Commodore Georgie Olsen

Well Boaters how does it get much better? I sure don't know. The Memorial Day Weekend was filled with fun laughter and lots of booze. We had 4 boats go to **Marina Del Rey** and they all had a wonderful time.

Weather was perfect not only for the Del Rey Boaters but the Island cruisers as well. Those who went to Del Rey had a wonderful Cocktail party on <u>Bother me Tomorrow</u> hosted by **Tim and Catherine Smith**. Saturday we all had a great dinner at the Del Ray Yacht Club as well as Sunday Brunch. Thanks to their club for the great hospitality. Coming home was a snap and we were all grateful. Thank you Sea God.

Now onto the **Bob Cooke Memorial Double-handed Race**, I can only say WOW! we had 20 boats in all. It was a wonderful site to see. There were 3 different classes: Spinnaker, Non-Spin 1, Non-Spin 2. In Spinnaker the winners were: 1st, <u>Maine Squeeze</u>, 2nd <u>Tortoise</u>, 3rd <u>Colt</u>. In Non-Spin 1, 1st <u>Pangea</u>, 2nd <u>Funatic</u>, 3rd, <u>West Wing</u>, in Non-Spin 2, 1st <u>Out Patient</u>, 2nd <u>Breezy</u>, 3rd, Velero.

Truly Bob Cooke would have been very proud of the great sportsmanship and camaraderie that was had by all.

Our Very own **Jack** put on a great meal for all after the race and the libations ran ramped. Good food and laughter was had by everyone on this special day.

We also hosted the **3rd John Larson Memorial race** on the 13th. Betty and Deb outdid themselves to make this a special day for all who joined in. There were 7 Captains in all and a great day. The winners were: Non Spinnaker, <u>1st Breeze</u>, 2nd, <u>Out Patient</u>, 3rd, <u>Quiet Times</u>, 4th, <u>West Wing</u>, 5th, <u>Mystic Flyer</u>, <u>Fusee</u> was the only Spinnaker entry. We did have a Multi Hull also called <u>Tomahawk</u>. You all are winners as far as I'm concerned. Thank you for making this such a tribute to a very fine man, father and husband.

We had a great **dingy party** at **Charlie Millers house** with great food, good music, our very special bartenders who volunteered their time to pour great drinks and most of all the friendships, laughter and overall wonderful time had by all. A very special thanks to Sherrie Brisbane and her crew of wonderful helpers, you all made this a super day.

We have a **Cruise to Frys** coming over the **4th** so put this on your Calendar.

May the Gods that shine on our beautiful sea bring you all home safely home to CIYC Vice Commodore Georgie Olsen

Message From The Rear Commodore Connie Calo

There are many ways to contribute to your Club. One is by attending and helping with the **Ship Shape Saturdays** which are usually scheduled <u>once a month</u>. We do have cleaners that come in twice a week to vacuum, dust, mop, etc., but there are many other things that need to be done to keep the Club looking good and running properly.

I would like to thank the members who work tirelessly and selflessly at our **Ship Shape Saturdays**.

This is your Club and everyone needs to do there part in keeping it clean.

Message From Channel Islanders First Mate Daphne Hetherington

As many of you might know, in order to get the Currents to print in time to meet the first of each month's mailings, many times events in that particular month may go un-mentioned or lightly touched upon. That being said, on May 22, we had a wonderfully fun and successful fundraiser, our annual fashion show. Thanks to all our gorgeous models, Laurie Preston, Lorie Robinson, Rosemary Lippert, and Nancy Latham. You guys made this year's show very special. Big, big thanks to our Beefeaters led by none other than Tom Naylor (you too Carol!) for preparing that fabulous dinner. Oh!! And how about our debonair escort — Mr. Ed Calo!!, and Mr. Tickle the Ivories — Mr. Tom Warden — thanks gentlemen for your great contributions to our success.

Father's Day dinner was great. <u>Your Islanders' Board of Directors</u> once again came through with flying colors, and kisses, hugs and much appreciation to Past Commodore, Dana Hamilton for stepping up to the plate to help with the grilling.

Our June general membership meeting was held at **La Dolce Vita on 6/17** and we appreciate all who attended. Your Second Mate, Francene, has listened to you and tried very hard to make your suggestions happen. Our next **general membership meeting** will be on **August 19** at **Yolandas Mexican Café in Oxnard**. This is a very important meeting as we will choose a nominating committee for your 2011 Board of Directors, which will be comprised of 3 non-board members as well as 2 of our Board members. <u>Our elections</u> will be held at the **October general meeting**. We have such a great group and are so pleased with the increase in membership we have this year. New members mean so much to any organization and I encourage you to consider a position on our 2011 Board of Directors or as one of our Committee Chairs.

Don't forget to mark you calendars for our next **Sunday Champagne Brunch**, **Sunday, August 8**. More info to follow in next month's issue.

HAPPY 4TH OF JULY AND GOD BLESS AMERICA!! Your First Mate

Daphne

A great big thank you to everyone for all the wonderful get well greetings cards, e -mails and to all those asking and thinking about me. Just knowing you cared helped me so much. Hope to be back with you all soon,

hugs and kisses to all, Ann.

HISTORIAN: CLUB EVENTS THAT CREATE HISTORY

"History is written by the winners. The loser's side is never heard at all " (author unknown). At CIYC we have been winners now for 50 years and we have a very, very rich history.

Many years of our history have been recorded in the photo albums that are on the shelves on the mid-landing stairway. There are 71 in all. Each album has been labeled by year. There are 28 labeled with each year's Commodore's name and that year's pictures and stories. There are 20 of newspaper and magazine clippings by year. There are also 23 photo albums of the Channel Islanders.

When you are at the club, take an album up to the fireplace lounge, have your favorite beverage and enjoy the photos of events and the people of past years, of whichever year you choose. You will soon recognize that many of the events that we enjoy each year have been on our social menu for many years.

Occasionally, I will take down the album for 1977, my year as Commodore, to relive what was to me an exciting and rewarding year. Not all was easy .We were building the clubhouse as we know it now, but we had parties and had fun. The first annual Cinco de Mayo party was held in the patio on May 1 with a mariachi band and with all of the good Mexican fare. Bridges were built over the six foot deep trenches for the new plumbing lines to the new bar and nw restrooms. What a party. A little later on August 20, when the big ballroom had a roof and was enclosed, I said "This looks like a barn". So, we had a barn dance with a 6 piece country western band, hay bales all over the floor for seating, a temporary bar constructed, and a full country barbecue dinner served.

On **April 16, 1977** our new building was far enough along in the construction phase that we could have a building dedication and ground breaking champagne party. Almost all members were there in full club dress. The chaplain dedicated the building. Then we had the nailing ceremony. The contractor had built the 2x4 framing for what is now the East facing the docks and the South walls of the bar room, braced in place but not nailed down to the sole plate -- to the flooring. Every member was to hammer in a 16d nail into the floor plate and then sign their name alongside the nail with a waterproof ink pen. I asked P/C Capt. A.A. Oakley to drive in the first nail because of his major contributions to CIYC, followed by P/C Hubert Catlin, our first Commodore. Then all members drove in their nail and signed with waterproof ink pens. This year, **P/C Dick Olson**, while they were renovating the bar area noted that **the signatures are still there after 33 years.**

Each album has as many memories to tell . The albums are there for you to enjoy and learn a little more about the **history of CIYC**.

Fleet Surgeon Karen Berlin RNC

I hope this article finds you all well and happy. I want to apologize for not placing a article last month. I am recovering from a total knee replacement and was just to under the weather. Thanks for all your patience.

I though a lot about this article and what might be good food for thought for everyone. I am also guilty of not being prepared for a disaster, most importantly for all of us a earthquake. We as you are all aware of sitting on many faults and there are many all over California. There are several ways you can plan and prepare fairly easily.

There are six ways to plan ahead for a earthquake

- 1. Check for hazards in the home
- 2. Identify safe places indoors and outdoors
- 3. Educate yourself and the family
- 4. Have disaster supplies on hand
- 5. Develop an emergency communication plan
- 6. Help your community get ready.

What to do during a earthquake is also something to think ahead about. If you are indoors you need to drop to the ground and take cover. I am not sure if some of you might have seen a article that went throughout e-mail that said instead of getting under things to get next to sturdy things. The rational for this is that when things fall down they fall on the bed or couch or sturdy table and there is usually a free space next to them that may keep you from being trapped. Also thinking about what you might do if you are outdoors or in a moving vehicle, and what if you are trapped under debris.

What can you expect after an earthquake? Expect aftershocks, you will most likely be listening to a battery operated radio or TV. Costco once offered crank flashlights and they also had a radio as part of them. Use your phone only for emergencies. Be sure to open cabinets cautiously, stay away from damaged areas, be aware of possible tsunamis if you live in a costal area, help injured and trapped persons, clean up spilled medicines, bleaches, gasoline or other flammable liquids immediately. Inspect the entire length of chimneys for damage. Check for gas leaks. Look for electrical system damage. Also check for sewage and water lines damage.

I could go on and on with this but you can go online and find endless lists of places to get supplies especially for this situation. FEMA has a long list of things to do and not and also the fire dept. Having a two-week supply of your medications set aside for this situation is very important. Have a pair of shoes and a flashlight by your bedside.

I hope some of this helps you all out and maybe spark a interest in being prepared for this type of disaster. We all take this for granted and if you look around the world disasters are happening everywhere. We know we have faults that are just waiting to let loose.

Thanks again for your patience with my recovery. I hope everyone has a great month and is well.

Anglers' Corner

By Frank Sullivan

We have been diligently working on the White Seabass Pens. The amount of work necessary to put it back in order seems to expand as we go. We are getting very close to being able to receive fish to grow out.

July will be a very busy month for CIYC Anglers with the Ladies' Tournament on the 10th, the Marlin Fishing Seminar on the 17th and the Men's Tournament on the 26th. The weather seems to be improving and water temperatures are on the increase, finally.

Upcoming events:

Saturday July 10th **Ladies' Fishing Tourney**Saturday July 17th **Marlin Fishing Seminar**Sunday July 26th **Men's' Fishing Tourney**

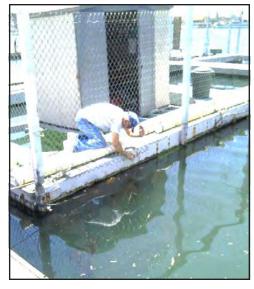

"Big Fish of the Month" \$50 prize

is awarded at the end of every month, however, you can only win once per year. Legal fin fish only and no sharks.

"Big Fish of the Year"

At the end of the year there will be a Big Fish of the Year award for \$100.00 it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$S\$\$

CIYC Lady Anglers

The annual Ladies fishing tourney has been rescheduled to Saturday July 10, 2010; 1am to 4pm. The weigh in is at CIYC at 4PM. This event, in the past has been a blast. If you are a boat owner please let me know if you are willing to take on some of these ladies. If you are a lady wishing to fish the tourney and don't have a ride let me know. I checked the tides and the moon phase and it all looks good. If the weather is good we should have a great time.

Good Luck, remember Tourney fish don't count for Big Fish of the Month, and so keep turning them in.
