Message From The Commodore Larry Golkin

Board elections took place this month and a great group of folks were elected who will serve as your **board of directors for 2010**. In **October**, you will elect from this group the **bridge** that will lead the club in its **50th year**. Please consider the opportunity to vote an important part of belonging to a club like ours.

In other news, within the last month, our club has lost two of our best friends, **Erik Lewis** and **Ron Lippert**. This is not happy news, but it is great to see the outpouring of love and support by our club. It is this that makes us a family.

Recently, a racing sailboat went onto the rocks during a Wet Wednesday race. **Harry Krum**, owner and skipper of Fosse, was nearby, and gallantly lead his crew to rescue the unfortunate boater. What's even better, his boat went on to win the race, having lost more than five minutes effecting the rescue. Way to go, Harry! You are a credit to CIYC and an example to us all.

Jack Borkowski has been cooking his behind off each and every Wednesday night for the last two months. Why, you may ask? Because nobody else wants to volunteer. He also really enjoys cooking. More importantly, however, he is on a march to demonstrate that great tasting meals can be put together for a very reasonable cost. Thank you, Jack. I appreciate your effort very much.

Pat Madden has made our business office's problems a thing of the past. Within the span of a couple months, she has mastered the accounting and bookkeeping duties in a fashion we have never seen before. She does a terrific and accurate job. She is a very smart and dedicated lady we are very lucky to have.

Brandy has blessed our front office. She is learning things very fast and is doing a great job. She always has a smile on her face and is willing to tackle just about any need you may have. Recently, she has done a complete inventory of our supply closet and of our dry goods pantry. If you need something, please ask, and she will help you. Thanks, Brandy! You're terrific.

Mary Foster is amazing. Not only is she one of my finest friends, but she is a great Vice Commodore. She was a great Rear Commodore as well, but this year, she has taken on a program she had little exposure to previously. She has learned how to sail, how to run a racing event, and has diligently and passionately promoted our water programs with extraordinary diplomacy. I am very proud to have had the privilege of serving with her on the board for the last couple of years, and on the Bridge for the last two. Mary is an exceptional team player who selflessly places the interests of the club above her own.

We are members of a club. This means we all have to pitch in and help. Frank Sullivan is one guy who is always available to help. I want to thank him for his support and dedication. There are many others who pitch in from time to time, and I want you all to know that your efforts are noted and appreciated. More of us need to get involved. We have over 35 committees of folks who endeavor to serve. Some of these committees are committees of one. In some cases, this one, serves on several committees. We cannot afford to have a club where 99% of the club's interests are served by 10% of the people who benefit. Every one of us should look for an opportunity to serve. It is very rewarding and will enhance your experience.

Coming in October will be CIYC's very first ever, "**Dancing with the Stars**". A huge thanks goes out to Barbara, Connie, and Pat for all their hard work. This will be a fun evening and I encourage all of you who can, to come and enjoy it.

Commodore Larry

Message From The Vice Commodore Mary Foster

Our racers continue to win awards for CIYC. Our team: **Tim Haapanen's Sisu, Brent Swanson's Vello, Larry Hanson's Scooter**, after three competitive races won second place for the Ventura Cup. We are so proud of our team.

The time has come to elect the **2010 Bridge for Channel Islands Yacht Club**. In the year 2010 we will celebrate our Fifty year anniversary. We can take pride in our accomplishments and look forward to many more years to come. It has been my distinct privilege to serve in 2008 as your Rear Commodore and 2009 as the Vice Commodore. My desire is to be your Commodore for 2010.

The support you have shown the past two years is overwhelming. The beauty of our club speaks for itself. Our financial records are in order and balanced. We have new and innovative ideas from your Board of Directors. Our present and past Commodore's have stepped up to keep your club positive, solvent and up to date. We are not done yet. The countless hours given by the people you have elected to office is beyond comprehension. We need to look into realigning the duties of your Bridge. There is a tremendous load on the Rear Commodore. It is a full time job for house and grounds alone needless to say the other duties and I speak of this as being there. It is a privilege to hold Office for Channel Islands Yacht Club. When a person seeks a term of office for the Board of Directors it is two years. To seek election to the Bridge, it is required to be a Board member. The office of Rear Commodore to Vice Commodore and then to Commodore is a four year commitment. The Commodore then goes on the other ventures, the Blue Gavel, Racing Committees to name just a few.

Channel Islands Yacht Club is held in high regard by fellow Yacht Clubs through out the world. We have set many records with our sailing, cruising, fishing, social activities and direction for our youth. We hold the traditions of yachting and seamanship in high regard and strive to maintain these traditions at all times.

Recently during a competitive race a misfortune befell another boat which went on the rocks at the break water. One of Channel Islands Boats **Fus'ee, Skipper Harry Krum and crew**, being one of the closest boats came to the rescue, saved the boat then Fus'ee was able to continue the race. It is this type of Corinthian spirit that is upheld in Channel Island Yacht Club, to forgo one's own endeavors to reach out and assist to help others in need.

Thank you as always for your support to CIYC.

Mary

I would like to publicly thank our CIYC Fleet Surgeon, Patricia Andersen, for being the professional she is. What a welcome surprise one morning a couple of weeks ago when I brought my 89 year old mother into the Surgery Pre-Op Room at Community Memorial Hospital to be met by Patricia! I knew she was a nurse but did not know where she practiced. She was a sight to behold! Patricia was to stay with my mother from beginning to end and even witnessed her respiratory arrest which she barely pulled out of. I will forever be grateful to have had a friend with my mom when she needed it the most.

**Most sincerely,
Yvonne Farris**

Message From The Rear Commodore Georgie Olsen

The month of September was a very fun filled one. It seems as though everyday was offering something exciting to do. What with movies, bingo, bocce ball, birthday bashes, private functions, sat dinners put on by very great cooks as well as the beefeaters, Sunday serenades with guitars and the like. It keeps us spinning.

We had an **Open House** that was very successful. Thanks to Barbara Brauns and Ellie Bishop who so generously give up their Sundays to promote this function. As you all are aware of we have a special going on till the end of the year. (**Membership Certificate \$750.00 instead of \$1500.00 until the end of the year**) Encourage your friends to come and join us and be part of our wonderful family.

Your new board has been elected and I know they will have as much fun working for all of you as I have had.

There will be NO shipshape in October.

**Respectfully,
Georgie Olsen
Rear Commodore**

New Smoking Policy

After several hours of debate on two separate occasions, over a period of a month, the Board of Directors, pursuant to its authority granted in Article III, Section 10 of the CIYC Bylaws, have amended the House Rules to effectuate a new smoking policy for CIYC. Effective immediately, the House Rules, located on page 59 of the 2009 CIYC Roster, shall be amended to state as follows:

Rule 16: Smoking shall not be permitted in areas designated "Non Smoking".

A cut out will appear in the next issue of the Currents so you may paste it into your new Roster.

The area designated "Non Smoking" shall be that area 15 feet on either side of the center of the sliding glass door leading onto the balcony. Smokers may enjoy their "smokes" anywhere else on the premises (except inside, of course). This means on either side of the above-referenced area, on either of the roof decks, or in the back patio. The designated "Non Smoking" area will be marked with small plaques.

The rationale behind this decision focuses on certain essential considerations. First, second hand smoke makes many people uncomfortable, not only due to the apparent health risk, but also in connection with the relatively unpleasant odor. Second, the Board believes it is necessary to spread out the crowd on the balcony in an effort to ease the traffic that congests access on and off the balcony. The Board is further considering how to make the balcony areas more comfortable and enjoyable for all members.

While the Board expects a certain amount of criticism from certain members, it also expects that this policy will make the club a more enjoyable and attractive place for all members, and hopes all members will comply with this House Rule, as well as all the other House Rules.

Wonderful Ladies!

Our Fashion show was a SUCCESS. Thanks to all. I know I said this in my article for last month but you all know that the articles sometime precede the event. I'm so very proud of the wonderful job done by Daphne and her ladies. The food was better than expected (we always expect good but this was exceptional) and put on by the **Great Beefeaters**.

Our new slate of Officers was chosen and presented at our meeting in September. We will vote on them at our **October Meeting**. This meeting will be on **October 15th** and we will be having it at the club.

Joyce Sheridan has graciously agreed to make a special lunch for all of you. As you know the Luncheon in October is for **members ONLY** and is also **free**. Please mark your calendar and come and join us not only to eat but to vote for your new Slate of Officers.

If any of you out there wish to be on a committee for next year please see me and I will pass it along to Daphne or tell her yourself.

Thanks again to Sharon Sullivan and her crew for the lovely table settings.

Be sure to get all your special clothing and shoes, purses and jewelry to the club for our **Bargain Box** extravaganza on the **2nd of Oct**. Things you would be proud to purchase for yourself. No white elephant items please. The profits will help us with our gifts this year at Christmas so bring your things to sell and money to buy to support this day for the Islanders. All remaining items will then be taken to the Assistance League to share with others.

If any Big Club member is reading this article and has not received a request to join the Islanders please contact Francene Thomas (984-2505) and she will send you an application. We have a wonderful ladies group and would love to have many more of you out there with us.

May the powers that be watch over and guide you always.
Your First Mate Georgie Olsen

From the Dinghy Parties Chairmen:

What a **great dinghy party on August 23rd** at Virginia and Carter Gage's beautiful home on the water. This was our last dinghy party of the year and everyone had a fabulous time.

We want to thank all the people who made it happen! The 'team' Sherry Brisbane, Josie Renner and Pat Korcecky. a special thanks to Jack Borkowski, Joyce Sheridan, Clark Owens, Ed Calo and Tom Naylor who did all the organizing and tending of the bar. Everyone enjoyed the **Monkeys band** and danced up a storm. Congratulations to **Joyce Sheridan** and **Bob Heatherly** for winning the dunkin dinghy race!

We all look forward to next summer and more dinghy parties!

Angler's Corner Frank Sullivan

The water warmed up to the mid 70's just in time to provide some excellent fishing for our Marlin hunters entered in the CI Invitational Billfish Tournament!!

The event was won by our own Marlin (Skip) Miser and his crew on the *Dawn Patrol* with five marlin caught and released over the 6 day event. Second place was taken by Team *Finatic* with 3 fish caught and released. There were a total of 11 Boats that released 17 marlin and weighed in 1.

The weigh-in division trophy was won by 12 year old Hunter Denette with a 111-lb marlin on the *Martuni*.

So far **no one** has turned in a fish for the September Big Fish of the Month.

Upcoming events:

November 21st – Anglers Scampi Dinner

"Big Fish of the Month" \$50 prize

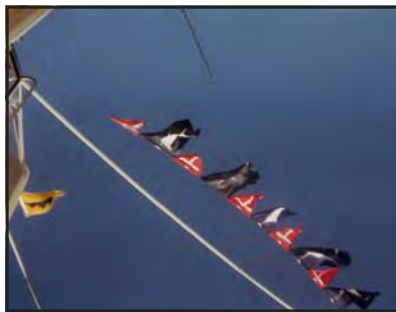

is awarded at the end of every month...however; you can only win once per year. Legal fin fish only and no sharks.

"Big Fish of the Year"

At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

As I Remember----Goleta State Park

Historian - Bud Gerding

Early in the 1970s, CIYC Cruisers started an annual cruise to Goleta State Park located on the beach by the Santa Barbara Airport. I started to write a story about this annual cruise but I located a report written by Ellie Bishop, which is a better story than I could provide. Here is Ellie's entire story with a note at the end of her story.

"**Goleta**, what a time CIYC has had there. I remember one August Saturday morning {early} we loaded our boat the **Four Seas** with steaks, fresh corn on the cob, butter, garlic bread, salad fixings, paper goods, and pots and pans of different shapes and sizes. Everyone on board we headed for the gas dock. While there, it was noticed that the water pump was leaking in the bilge. "My God, what do we do now?" Jim Donlon was our guest for the trip along with the Hamiltons and my daughter Kathy. We limped back to the D dock and Jimmy went to pick up the **Pescador**. When he and the boat arrived we transferred our cargo over to his boat. Undaunted with a fresh Bloody Mary in hand, we headed for Goleta. Our trip took us about two hours but we enjoyed the excursion.

What a sight when you come around the bend from Santa Barbara to Goleta. It's a calm little cove and beautiful beach. After we anchored, the cargo had to be taken ashore. Mel and Joyce Thrasher were already there and their dinghy had a motor. What a help that was. We loaded the cargo in their dinghy and ours, and motored and rowed over to this little dinky Pier {and I mean dinky}. Unloading our precious cargo up the little steps and the other side. We carried and pulled all of it over to the barbecue area. Other boats arrived, anchored and came ashore, using the little pier for a day of eating, drinking and play. The stashes appeared {no drinking allowed on the beach}, cards were dealt, checkers were put out but the game of the day was the Big Ball. That Ball was a popular sport. I remember Commodore Don Olin getting on top and staying for a minute or two. Patty Ryan decided to give the Ball a try and proceed to make the plunge, WHOOPS down she came over the other side. Not a good idea for Patty. She broke her wrist. Taken off the playing field like a good champ, she was taken to the hospital and returned with a cast on her, but just in time for the barbecue.

In the meantime, the garlic was left aboard the **Pescador**, so the brave ones, Bob Hamilton with Ruth Hatcher at the helm took her dinghy over to the boat and picked it up. On their way back—just as they got a few feet from shore, a rouge wave hit them and over they went. Bob lost his glasses, but held on to the garlic and Ruth won the wet tee shirt contest.

Donlon and Hamilton prepared the steaks, corn, bread, and salad. The corn was very special, dripping with butter and garlic. The party lasted till sunset and the boaters headed back to their boats; and those that drove headed home. Alas, you asked what happened to those pots and pans. Well someone, I can't remember, offered to take them back to the Club by car, what a relief. From that time on, the Abbotts brought all the cargo in their RV and we only had to get ourselves ashore. We had wonderful evenings out on our boats, visiting each other, eating and drinking.

The last time we went to **Goleta** {about 1980}, the little pier was gone and we all used dinghies to get ashore. I miss Goleta and the great fun everyone had."

END of Ellie's great story, Thank you Ellie.

NOTE: Actually the visits to **Goleta** didn't really end until late 1980s. The last visit I attended was in 1989, again with Tom and Margarite Abbotts RV transporting the cargo. At the completion of the games and barbecue the party ended and people began to leave the park. The boat people returned to their boats to continue with some on board fun and spend the night at anchor. As the folks who arrived by auto began to leave the park a bystander on the sidewalk "Mooned" the vehicles as they passed by. I cannot believe that this bystander could ever be a member of CIYC, at least from the visible exposure. The boat people remained overnight then headed back to Channels Harbor with a planned Brunch stop at the **Scotch & Sirloin Restaurant** in Ventura Harbor. CIYC members were easy to identify by their bright yellow club jackets. **Goleta** was a great event; Great fun was had by all, many good memories.
